Dear Lois Lerner

The attached substitute schedule B was attached to the 2014 990-PF that was filed as it has been in all prior years 990-PF's filed. It contains the requested information that the IRS form schedule B (which is not included in the instructions for Form 990-PF found on line and could not be found at the time of preparation) asks for.

This is an unnecessary request from you and demonstrates a waste of tax payer resources. The IRS is not underfunded; it just needs to use personnel time more efficiently.
