What is the organization's primary exempt purpose? The Organization was established to further the broad interests of antibody engineering and antibody therapeutics and to safeguard the public interest by increasing discussion and activities to create the safe, thorough testing of antibody therapeutics. The society encompasses this increasingly diverse field by supporting the superstructure for the engineering of recombinant antibodies, single scaffold binders, etc through basic and applied research by those in academics and the private sector. The Society also seeks to provide a forum and voice for the thousands of people now working on all facets of this global field. Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.		(c)(3) and 501(c)(4) organizations, optional for others)	
28 The Society assists with the organization of and participates in an annual membership meeting where besides Organization business, various organized discussions were held in an attempt to further the Organizations goals and encourage the free exchange of ideas among industry notables.
