Name: Commonwealth Foundation Inc

EIN: 22-2543558

Software ID: 14000267

Software Version: v1.00

Explanation: The Commonwealth Foundation received an approval for extension to file to August 15, 2015. Our record should reflect that a second extension was filed in a timely fashion, but the preparer inadvertently mailed the second extension without a signature. We were not made aware of this error until September 21, 2015. We promptly worked to finish our 2014 Form 990-EZ and at the recommendation of the IRS, we chose to file electronically. We believe this clerical error by the preparer should not penalize the organization, which is a very small, under-staffed not-for-profit. In the future, all filings, including extensions, will be filed electronically, in order to avoid this from happening in the future. We take the responsibility of filing this informational return very seriously and we are embarrassed that this error happened. As it was not an intentional mistake, we hope the IRS will look upon this request for abatement of penalties, favorably.
