Briefly describe the organization's mission.

under-represented communities have the same constitutional rights, social privileges, and political opportunities afforded to all Americans. Through Grassroots Networking, EmERGE aims to politically empower and train under-represented communities such as the Muslim, South Asian and Arab-American community members on the importance of civics and the political process. EmERGE also works with the members of these communities to help educate and train those who aspire to be and one day can be the civic leaders at the local, state and national levels, to help those members be effective community leaders and organizers working to advance beneficial policies and legislation that help protect and enforce the rights afforded by the United States Constitution to all citizens and residents. EmERGE's activities have resulted in creating awareness about the political process and civic engagement to its targeted communities. Through its programs, EmERGE has created future leaders among the youth, has educated underrepresented communities on the importance of civics and the political process and has educated community leaders about the make up of certain minority constituencies within the State of Florida and Texas.
