Part III – Organization’s Primary Exempt Purpose

The faith-based Performing Arts Academy will provide opportunities that will enhance character, promote well-being, and inspire greatness by developing people through the Arts. The Academy desires to change lives by offering affordable, quality music education, positive theatre experiences, and an appreciation for the Arts.

The community and students will be encouraged to participate in small and large ensembles and theatrical opportunities. All teachers and staff at the Academy are to aspire to a level of excellence in teaching and performance.

The Academy will serve primarily Butler and Warren Counties and surrounding communities. No participant will be denied study at the Academy due to socio-economic conditions.

Part III – Statement of Program Service Accomplishments

Performance

In the performance side of the PAA, the following activities were successfully undertaken. Rehearsals for each production included voice and performance instruction. Participants came from approximately 13 area communities. In 2014, eight musical theatre productions were accomplished.

Each production involved working with youth for 3 to 14 weeks. Objectives accomplished included the education of children in performance, music and dance through theatre arts. They received the opportunity to gain self-confidence, self-discipline and enrichment within their lives, experienced the value of working with others towards a common goal, and provided to the community productions which displayed "excellence" in all aspects. Success has been measured by tracking the attendance in music and theatre classes, tracking the number of returning students and the low drop-out rate. Another measure is the superior and excellent ratings the PAA students receive at the Ohio Music Education Association solo and ensemble contests.

Expenses for the combined performances were as follows:

Outside Contract/Tech Services	\$ 8,390

School

Music Lessons: During the year 2014 approximately 290 individuals from 13 communities received either private or group music lessons of voice, piano, guitar, flute, alto sax, viola, cello, double bass, clarinet, violin, trumpet and percussion. (An individual may be counted more than once for multiple terms with multiple instructors.) Our instructors are degreed in their areas of expertise. We held three terms of classes throughout the year (January-April, May-August and September-December). Students ranged in age from 6 to adult. High school students may be eligible to receive a Fine Arts Credit from their schools. Objectives accomplished included the education of individuals in the arts. They received the opportunity to gain self-confidence, self-discipline and enrichment within their lives. Success has been measured by tracking the attendance in classes, tracking the number of returning students and the low drop-out rate. Another measure is the superior and excellent ratings the PAA students receive at the Ohio Music Education Association solo and ensemble contests.
