Part III- Malawi Matters Inc is a 501(c)(3) not-for-profit organizations whose mission is to develop and facilitate HIV and AIDS education with the people of Malawi and Central Africa. By connecting agencies and organizations and using hands-on techniques grounded in Malawian culture. MMI believes that Malawian youth and adults can find solutions to the HIV and AIDS crisis as well as improve and enhance the quality of life in this economically impoverished, but spiritually rich nation. MMI's expressed goals stress "HIV and AIDS" prevention through active, hands-on education utilizing the arts and culture to develop a core group of Malawian trainers to sustain the education programs. We seek to communicate "why it is vital to learn about HIV and AIDS in spheres of life". We support on-going efforts to identify methods and skills necessary to address HIV and AIDS issues and to stimulate Malawian youth and adults to think creatively about HIV and AIDS issues. MMI has expanded into education specifically targeting the empowerment of Malawian female youth.

Part III, Line 28 - Malawi Matters Inc was incorporated in May 2008 and formed a board of Directors in September 2008. The IRS granted MMI IRC section 501(c)(3) status in December 2008. Since then MMI has continued to work with various Malawian organizations to provide train-the-trainer programs to address the HIV and AIDS issue in that region of Africa. In 2014 at a total direct program cost of \$40,622 MMI trained 462 adult students in 51 congregations from 6 Presbyteries from CCAP in the central regions of Malawi at three sites. Held refresher courses and introductory sessions. Held a three day retreat for 30 Presbytery representatives from 17 Presbyteries. Provided course material and training of 25 people at the Joseph Mwale Theological College. Conducted preliminary planning for education specifically targeting Malawian female youth. Training teams consist of American volunteer facilitators and Malawian team members. Various church based groups and guilds participated in the training by performing and learning through song, poems, plays, puppets and art. Those trained then return to their congregations to address the HIV and AIDS issues in their local communities.
