Independent Accountants' Review Report

Board of Directors
F. W. Hirt Employee Emergency Fund
Erie, Pennsylvania

We have reviewed the accompanying statements of financial position of the F. W. Hirt Employee Emergency Fund (the Fund) as of December 31, 2014 and 2013, and the related statements of activities and cash flows for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Fund's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the reviews in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

December 31, 2014 and 2013

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

F. W. Hirt Employee Emergency Fund (Organization or Fund) is a not-for-profit organization whose mission and principal activities are to create a fund through contributions from which payments are made to individuals and families in need. The Fund's contributions are derived principally from employees and others affiliated with the Erie Indemnity Company (ERIE). One of the main fundraisers is an annual appeal to the employees of ERIE. The individuals and families receiving payments from the Fund, in the form of grants, are employees or others affiliated with ERIE.

Method of Accounting

The Fund's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP). Contributions are recorded when pledged and legally enforceable, and expenses are recognized when incurred. There were no pledge receivables or liabilities at December 31, 2014 and 2013.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues, expenses gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash

Cash consists of a checking and savings account.

Contributions

Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. The Fund has no temporary or permanently restricted net assets.

Notes to Financial Statements

December 31, 2014 and 2013

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law.

The Organization files tax returns in the U.S. The Organization is no longer subject to U.S. federal examinations by tax authorities for years before 2011.

Contributed Services

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance nonfinancial assets or require specialized skills possessed by the individuals providing the service, and the service would typically need to be purchased if not donated. Several individuals volunteer their time to the Organization, but none of these services meet the accounting criteria to recognize the value of these services as revenue.

Note 2: Subsequent Events

Subsequent events have been evaluated through the date of the Independent Accountants' Review Report, which is the date the financial statements were available to be issued.
