Return Reference	Explanation
Part V, Line 4	The intended use of the endowment funds is for charitable grant making to non-profit organizations in the greater Portland, ME area
Part X, Line 2	MaineCF and two of its supporting organizations, Maine Community Supporting Foundation and the Vincent B. and Barbara G. Welch Supporting Organization are tax-exempt organizations as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and are generally exempt from income taxes pursuant to Section 501(a) of the Code and qualify as public charities under Section 170(b)(1)(A)(vi) of the Code. The Edward H. Daveis Benevolent Fund is exempt from federal income taxes under Section 509(a)(3) of the Code. MaineCF pays unrelated business income taxes on income from certain types of transactions within investment partnerships. Such amounts are not material to the Foundation's activities or financial position. In certain circumstances, tax-exempt organizations may be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. Management has evaluated the Foundation's tax positions and concluded that the Foundation has maintained its tax-exempt status, does not have any significant unrelated business income and has taken no uncertain tax positions that require adjustment to the consolidated financial statements. With few exceptions, the Foundation is no longer subject to income tax examinations by the U.S. Federal or State tax authorities for years before 2011.

Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	Grant payments to organizations are initiated by recommendation from the review committee which consists of the board of directors. Grants are authorized by a vote at an annual committee meeting and then documented in the minutes of the committee meeting. Prior to awarding a grant, determination is made that the organization is a 501(c)(3) or a public organization in good standing. For grants to organizations, an award letter is sent with each grant check. The award letter clearly states the purpose of the grant and the terms of the award which include that the organization will use the grant only for the purpose stated in the letter. The award letter also states that by depositing the grant check, the organization agrees to and accepts the terms of the award. Organizations receiving grants are required to submit a project evaluation within one year of the date that the grant is received. For organizations receiving multi-year grants for a project that spans over several years, a project evaluation is due in the final grant year.
