Summary of Direct Charitable Activities

**NJ Early Childhood Public Education Project**

This project was started in 2013. It was expanded in 2014. It is anticipated that Pre-K Our Way will take over responsibility for this project in the middle of 2015

Historically the Foundation has only used its resources to make grants to public charities to assist those charities in the fulfillment of their exempt purposes.

While grants to various public charities will be continued, the Foundation has determined that the need exists for action to increase the awareness of the importance of early childhood education by the residents of New Jersey

To this end, the Foundation believes that an appropriate use of its resources is the development and implementation of a public education and awareness project designed to increase the enrollment of children in early childhood education programs.

The Foundation has retained the services of the entities listed in Part VIII, Item 3 to assist the Foundation in the development and implementation of this project.
