Statement 1
Form 990-PF
Explanation of Amended Return

We originally filed a form 990N for the year and did not understand the public support calculations and requirements. The organization also miscalculated its revenues for the 2014 year. The organization has now received professional bookkeeping and tax guidance for the 2014 year. The organization realizes that it failed to meet the public support requirement and thus, the organization's 501c3 public status has been converted to a private foundation status and thus, the organization is required to file the form 990-PF.
