Form 990-EZ, Part I, Line 10 - This total includes the following: A grant to cover lodging costs for guest lecturers at our annual Social Medicine Course (\$ 600); need-based support awarded to staff and volunteers to present at the CUGH conference (\$ 550); a series of small travel grants awarded to Haitian medical professionals to attend CME conferences abroad, including travel, housing, food, and conference registration costs (\$ 8061); leadership program grants to medical and nursing students in Haiti to facilitate mentorship (\$ 159).

Form 990-EZ, Part III, Line 32 - In 2014, over 50 volunteers, many of them medical professionals, devoted an estimated 4,135 total hours to our work, and in almost all cases personally funded their trips to Haiti to support our efforts. The work done during an estimated 2,402 of these volunteered hours required medical training, and thus may be considered donations of "medically skilled time." Given that our organization relies heavily on the service and expertise of our dedicated volunteers, many of whom provided us with services (including the development of educational materials, translation, web development, etc.) that would otherwise have needed to be purchased, and because the value of donated services is not taken into account in Form 990, the figure on line 32 is far lower than it would be if the value of donated time was taken into account. We therefore also include here the estimated total value of the donated time and unreimbursed expenses incurred by our volunteers in 2014, in order to provide a more accurate picture of the small percentage of our true "assets" that we actually devote to our non-program expenses: \$ 286,482. (This figure is a conservative estimate based on the Independent Sector's 2013 estimated value of volunteer time of \$ 22.55 per hour for all volunteer hours not requiring specialized skills; the Bureau of Labor Statistics' 2013 mean hourly wage data for volunteer hours requiring specialized skills; and out-of-pocket, unreimbursed travel costs incurred by volunteers traveling to Haiti on EqualHealth business).

Form 990-EZ, Part V, Line 34 - See attached amendment to our Articles of Organization, which reflect the change in our organization's legal name from Physicians for Haiti, Inc. to EqualHealth, Inc.

First Program Service Accomplishments Description**Description**

collaboration with SocMed, Inc , and the University of the Arside Foundation, this course brings together 10 Haitian and 10 international medical, nursing, and allied health students for three weeks of intensive immersion learning. The course gave the participating students the tools and network to address pressing global health needs in their future practice, working to build a generation of healthcare providers in Haiti and abroad with the skills necessary to impact the complex social factors that affect health on a large scale. The course had 20 direct beneficiaries, the number of indirect beneficiaries in this course cannot be known precisely, but we anticipate that a large number of patients will benefit in the future from the skills developed by these future practitioners.

Third Program Service Accomplishments Description**Description**

opportunities for continuing education, sharing of best practices, and networking that are rarely available in Haiti. In 2014, we provided grants covering conference registration, travel, and housing to seven Haitian professionals, each of whom is a leader at their home institution. These professionals were paired with senior international mentors for ongoing professional development after the conference. Maximizing the reach of this program, each of the seven Haitian professionals presented the material learned at the conference to their home institution, impacting hundreds of medical professionals across Haiti.
