Part X, Line 2	The Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and qualifies for the charitable contribution deduction. However, income from activities not directly related to its tax-exempt purpose is subject to taxation as unrelated business income. Unrelated business income tax was not incurred during the years ended December 31, 2014 and 2013. Foundation management is required to evaluate tax positions taken by the Foundation and recognize a tax liability (or asset) if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities based solely on the technical merits of the position. The Foundation has analyzed the tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements and determined there are none. The Foundation is subject to routine audits by taxing authorities, however, there are currently no audits for any tax periods in progress.
