HUNTINGTON FOUNDATION Application Process

Corporate Policy Statement:

As a participant and conscientious neighbor in the communities in which we have a presence, the Huntington Foundation is committed to improving the quality of life in each community and to promote diversity.

Initial application should be made through a concise letter of inquiry (one or two pages) which includes:

- **A brief statement of the organization's history and goals;**
- **Exact purpose of the project, its mission, and its duration;**
- **Target population(s) and geographic area to be served;**
- **Amount requested; detailed total project budget; total organizational budget (include financial information for previous two years with an audited financial statement – if not available, attach Form 990); and, other sources of funds anticipated or committed;**
- **A plan for evaluating, reporting and disseminating the results of the project;**
- **Qualifications of those who will be engaged in the project;**
- **Legal and tax status – include a copy of the IRS letter of designation;**
- **Brief description of anticipated achievements or outcomes;**
- **Information such as mailing address and the name and phone number of the contact person;**
- **A current list of board members and affiliations;**
- **Population and geographic area served; and,**
- **Period of time for which funds are requested;**

While there are no deadlines for requests for funds from the Huntington Foundation, Huntington staff will review the initial letter of inquiry within four months of receipt of the request. However, please recognize the Huntington Foundation is able to fund only a very small percentage of the requests it receives. Many requests are declined not because they lack merit, but because they do not match the current programming guidelines and interests of the Huntington Foundation.

A full proposal and additional materials may be requested at a later time. Please recognize a request to submit a full proposal is not an indication of the Foundation's intention or commitment to award a gift. Also, please do not send the following unless specifically requested: invoices; examples of past projects; IRS information; staff lists/job descriptions, resumes, or staff bios; videos; cassettes; or, books.

Please note, when we have received a full proposal for those projects that will receive Huntington Foundation support, additional consideration will be given to the following questions:

- How does the project fit within the Foundation's overall program priorities?
- Does the project address a specific community need? Is there a funding gap or is there a critical opportunity that needs to be addressed?
- Does the project propose a creative or innovative approach/solution?
- What is the ability of the non-profit to execute the project? Does the project overlap that of another organization who already receives support from the Huntington Foundation?
- Can the Huntington Foundation's gift be leveraged to gain additional support?
- What will be the impact of the project, if implemented, over the long term – will it be implemented again, and what is its reach and visibility in the community?
- Is the non-profit a customer of the Huntington?
- Who are the board members of the non-profit? Is there a representative from Huntington on the board?
- Has the non-profit also made a request from Huntington's corporate-giving program?

Please recognize the following Huntington Foundation contribution limitations. The Foundation will not provide grants for:

- operational phases of established programs;
- endowments;
- political campaigns;
