The Foundation's policy with respect to evaluating uncertain tax positions is based upon whether management believes it is more likely than not the uncertain tax positions will be sustained upon review by the taxing authorities, then the Foundation shall initially and subsequently measure the largest amount of tax benefit that is greater than 50% likely of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The tax positions must meet the more-likely-than-not recognition threshold with consideration given to the amounts and probabilities of the outcomes.

Part XIII Supplemental Information (continued)

The Foundation is no longer subject to U.S. federal and state tax examinations by tax authorities for years before 2010. The Foundation's federal and state tax returns are not currently under examination. The Foundation recognizes interest and penalties related to unrecognized tax benefits in income tax expense.
