The Everychild Foundation ("the Foundation") was formed in 1999 and began operations in July 2000 It was established to raise funds for distribution to entities and organizations devoted to improving the prospects and easing the suffering of children affected by conditions such as illness, injury, abuse, poverty, and neglect In addition, the Foundation was born out of the belief that a small committed group of women can produce an immediate, tangible impact in the lives of local children without the tremendous commitment of time, energy, and money that most charities invest in annual fundraising activities The Foundation takes a unique approach to philanthropy The Foundation is a non-profit public benefit organization, with membership open to all women in the Los Angeles area who contribute annual dues of \$5,000 Membership is capped at 225 women, enabling the Foundation to make an annual grant of \$1 million, yet keep administrative costs low In 2006, the Foundation reached its goals of 225 members and a grant of \$1 million The Foundation was named the "Outstanding Private or Community Foundation" in Los Angeles for 2004 by the Association of Fundraising Professionals The annual grant is made in support of a project that will profoundly help local children facing disease, abuse, neglect, poverty, or disability The grant recipient is chosen by a vote of the entire Foundation membership from a roster of carefully screened candidate projects Foundation salons are held two to four times a year, outside expert speakers are brought in to inform the Foundation participants on highly topical children's issues Activities such as recruitment breakfasts and salons are funded entirely through non-participant cash contributions, in-kind donations, and earned income Foundation activities, the Foundation administration, and the grant process are staffed by unpaid Foundation volunteers, with the assistance of a grant consultant, enabling the Foundation to keep administrative costs low Since its inception, the Foundation has made fourteen annual grants to local non-profit organizations Disbursements began in the following year in accordance with the grant agreement and may span multiple years The Foundation has made the following grants 1) \$230,000 grant in 2000 to QueensCare funded a state-of-the-art mobile dental clinic to serve thirty low Return Reference	Explanation
Part X, Line 2	The Foundation is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Foundation in their federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Foundation's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.
