Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☐**1** Briefly describe the organization's mission:

To strengthen the system of fire and emergency services in San Diego County. The Foundation seeks strong & effective emergency services to provide quality fire protection and emergency services throughout the County; to give fire and emergency services providers access to basic equipment, training and training materials; to facilitate multi-jurisdictional coordination and cooperation; and to educate citizens about fire preparedness & safety precautions they can take and about the system of fire & emergency services

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 240,419 including grants of \$ 228,430) (Revenue \$ 0)

To provide the basic fire and medical equipment and training needed by firefighters, the Fire Foundation conducts an annual grant program for all 27 fire stations in the County with volunteer firefighters. These stations are first responders protecting over 60% of San Diego County. They respond to about 6,000 emergencies annually, about 5,000 of which are medical/rescue calls. To prevent the major wildfires of 2003 and 2007, these departments must have the necessary equipment and training to respond quickly and effectively extinguish fires while they are small, in spite of the strong winds, heavy fuel and steep rough terrain in San Diego County. Medical equipment and training is critical as all volunteer firefighters are EMTs and generally will arrive and treat patients for 15 to 60 minutes before an ambulance or other medical personnel can arrive on the scene in many rural parts of the County. The medical care provided in the field by these firefighters is critical for the survivability of some patients and for the speed and degree of recovery of other patients.

4b (Code:) (Expenses \$ 38,365 including grants of \$ 0) (Revenue \$ 0)

After the devastating wildfires of 2003 and 2007, the County of San Diego engaged the services of an independent consultant to study fire services in the County. The consultant's recommendations included having the Fire Foundation take the lead in increasing public awareness about the system of fire protection and what responsibilities individual citizens have in fire prevention and preparedness. This awareness is critical given the high loss of lives and properties in these two major fire storms. The Fire Foundation has created a web site with information about fire prevention and preparedness and safety precautions individuals can take personally. The Fire Foundation has been featured on television with local fire departments explaining the fire protection system in San Diego County and providing safety tips to minimize the chances of fires and what steps to take if a fire were to occur. In March 2015 NBC Dateline - Escape had a two-hour special featuring the 2003 Cedar Fire and recognized the Fire Foundation and its work on their website after the special broadcast. The Fire Foundation also produces a bi-monthly newsletter which contains information about safety tips, fire prevention and current fire related events in the community.

4c (Code:) (Expenses \$ 109,591 including grants of \$ 100,000) (Revenue \$ 0)

As a result of the Consultant's recommendations, the Fire Foundation has been working with the newly formed County Fire Authority and Cal Fire to effectively form a county fire departments with 54 fire stations with both volunteer and career paid firefighters. To make this a reality, the Fire Foundation has been working to obtain communication equipment to help insure all departments have the same level of equipment to expedite dispatching, reducing response times and working together as effectively as possible. The Foundation is coordinating with individual fire stations, the County and State to help make sure all equipment is available on all fire and rescue apparatus. Currently we are obtaining mass casualty kits for 112 fire units to make sure everybody has the equipment and training to handle such incidents, since in the remote portions of the County it takes some extra time to get all the necessary units to the incident, so the first responders must know how to handle such situations until addition help can arrive on the scene.

Annually the Fire Foundation conducts a grant program where all eligible fire agencies in San Diego County can submit a request for funding for equipment or training. The Foundation then seeks donors to contribute and fund these grant applications. If a donor specifies that their donation is to go to fund equipment at a specific fire department, that request is honored. For all other funds where the donor has not specified which department they wish to fund, the Foundation Board prioritizes the remaining grant applications and funds as many as possible.
