Report on the Financial Statements

(the "Foundation") which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Build-A-Bear Workshop Foundation, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

December 31, 2014

Note A - Nature of Activities

Build-A-Bear Workshop Foundation, Inc. (the "Foundation") is committed to improving and impacting the lives of children and families by supporting programs that provide research, treatment, and education for children health and wellness causes. The Foundation also supports programs which promote literacy and education, the preservation of endangered animals and their habitats, domestic animal shelters, disaster relief, and environmental concerns.

In 2004, the Foundation established a scholarship program originally funded with two separate \$100,000 donations by which associates of Build-A-Bear Workshop may apply for up to 20 individual \$1,000 scholarships to be awarded annually.

Note B - Summary of Significant Accounting Policies

Basis of Accounting and Presentation

The financial statements have been prepared on the accrual basis of accounting. Additionally, financial statement presentation follows the recommendations of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-205-05, *Presentation of Financial Statements* which requires the Foundation to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets.

Revenue and Support

The Foundation receives a substantial portion of its revenue from a related party. The related parties collect donations in their retail stores and through their websites on behalf of the Foundation under the authorized agent agreements as described in Note D.

Related parties also donate portions of proceeds of certain specifically identifiable products and restrict those donations for various Foundation charitable causes.

Use of Estimates in Financial Statement Preparation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note B - Summary of Significant Accounting Policies (Continued)

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted, depending on the existence or nature of any donor restrictions. The Foundation reports donations of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When the satisfaction of a restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Foundation's cash and cash equivalents on deposit with financial institutions at times may be in excess of federally insured limits.

Pledges Receivable

Pledges receivable are made up of support due within one year from related parties. Pledges receivable are stated at the amount management expects to collect from balances outstanding at year-end. Due to the receivables being from a related party, management has concluded that there will be no losses realized on the balances outstanding.

Contributed Services

The Foundation received donated administrative services from a related party valued at \$13,804 and \$19,733 for the years ended December 31, 2014 and 2013, respectively. The services meet the criteria for recognition under FASB ASC 958-605-30, *Accounting for Contributions Received*, and are recorded in the accompanying statements of activities as in-kind contributions.

Contributions Payable

Contributions payable are Board approved grants awarded to qualified non-profit organizations. The contributions payable are recorded upon approval by the Board.

Functional Allocation of Expenses

Costs have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated between program expenses and general and administrative expenses.

Income Taxes

The Foundation constitutes a qualified not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code and is, therefore, exempt from federal income taxes.

The Foundation has addressed the provisions of FASB ASC 740, *Accounting for Income Taxes*. In that regard, the Foundation has evaluated its tax positions, expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings and believes that no provision for income taxes is necessary, at this time, to cover any uncertain tax positions.

Reclassifications

Certain amounts on the 2013 financial statements have been reclassified, where appropriate, to conform to the presentation used in the 2014 financial statements. Changes in net assets are unchanged due to these reclassifications.

Note C - Temporarily Restricted Net Assets

Temporarily restricted net assets account for all contributions that are restricted for specific purposes or time periods. At December 31, 2014 and 2013 the following items were included in temporarily restricted net assets:

Note D - Related Party Transactions

Support and related pledges receivable for the years ended December 31, 2014 and 2013, primarily consist of amounts collected by a related party. The Foundation entered into authorized agent agreements with the related party in December 2003, which specify the relationship between the organizations. Under the terms of the agreements, the related party collects donations in their retail stores and through their website on behalf of the Foundation.

The related party also donates portions of public sales of certain specifically identifiable products and restrict these donations resulting from these sales for various Foundation charitable causes.

The Foundation received donated services from a related party as described in Note B.

Note E - Subsequent Events

Management has evaluated all subsequent events and transactions through July 31, 2015, the date which the financial statements were available to be issued.
