The intended use of the term endowment funds is for facilities and program expenses.

The provisions of "Accounting for Uncertainty in Income Taxes" prescribe a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The amount recognized is measured as the amount of benefit that is greater than 50% likely of being realized upon ultimate settlement. The Organization recognizes interest and penalties accrued, if any, related to unrecognized tax uncertainties in income tax expense.

As a result of implementation of this standard, the Organization determined that there are no material uncertain tax positions.

The final Form 990 and related schedules are electronically sent to the Board of Trustees and the Executive Director to review and approve before they are filed. A deadline is given for the review and it is mailed after the deadline with any necessary changes made.

Pt VI, Line 12c

Skyview's Board Members annually sign a conflict of interest statement. As issues arise at the Board meetings, a Board Member having a conflicting interest would excuse himself/herself from the room during the discussion and voting of the issue as to not impact the results.
