Part X - FIN 48 Footnote

Professional accounting standards require KPADC to recognize a tax liability only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax liability that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax liability is recorded. KPADC has examined this issue and has determined that there are no material contingent tax liabilities or questionable tax positions. The tax years ending 2013, 2012, and 2011 are open to audit for both federal and state purposes.
