b A family member of a person described in (a) above?	11b	
c A 35% controlled entity of a person described in (a) or (b) above? If "Yes" to a, b, or c, provide detail in Part VI.	11c	

Part IV

Supporting Organizations (continued)

Section B. Type I Supporting Organizations

	Yes	No
1 Did the directors, trustees, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's directors or trustees at all times during the tax year? If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove directors or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised or controlled the supporting organization.		

Section C. Type II Supporting Organizations

	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).		

Section D. All Type III Supporting Organizations

	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (1) a written notice describing the type and amount of support provided during the prior tax year, (2) a copy of the Form 990 that was most recently filed as of the date of notification, and (3) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).		
3 By reason of the relationship described in (2), did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.

Schedule H, Part I, Line 7 Bad Debt Expense excluded from financial assistance calculation	8340839

Form and Line Reference	Explanation
Schedule H, Part I, Line 7 Costing Methodology used to calculate financial assistance	THE HOSPITAL UTILIZED BOTH THE MEDICARE COST REPORT CCR (COST-TO-CHARGE RATIO) AND OUR COST ACCOUNTING SYSTEM TO DETERMINE THE COST OF CHARGES, BAD DEBT AND CHARITY CARE EXPENSE INCLUDED IN LINE 7 THE SUBSIDIZED PROGRAMS ALSO INCLUDE THE COSTS (BASED ON A CALCULATED CCR) FROM THE RELATED COMPANY ROCKFORD HEALTH PHYSICIANS (RHPH) BECAUSE THERE ARE NO PHYSICIANS COSTS INCLUDED IN THE HOSPITAL COST ACCOUNTING ANALYSIS BAD DEBT AND CHARITY AT COST HAVE BEEN REMOVED FROM LINES 7E/7F/7G SINCE THOSE COSTS WERE PREVIOUSLY INCLUDED

Form and Line Reference	Explanation
Schedule H, Part III, Line 2 Bad debt expense - methodology used to estimate amount	All charges for any service provided by Rockford Memorial Hospital are the very same for every individual, regardless of whether it is for emergency or standard care and regardless of the patient's ability to pay. Each patient is then assessed for eligibility for financial assistance based on predefined criteria of financial status and income level. If the patient qualifies for financial assistance, the expected reimbursement is based on charity care policy guidelines. If the patient has no insurance and doesn't qualify for financial assistance, the expected reimbursement is 75% of billed charges. The organization maintains a bad debt reserve on the Balance Sheet. Any bad debt write-offs of patient accounts will go against the bad debt reserve. At each month end based on the accounts receivable by financial class and aging bucket, the reserve amount is re-evaluated. The amount needed to maintain the appropriate reserve level is the bad debt expense. Any payments received on patient accounts previously written off to bad debt will offset the bad debt expense.

Form and Line Reference	Explanation
Schedule H, Part III, Line 4 Bad debt expense - financial statement footnote	Rockford Health System Consolidated Audit reports Net patient service revenue is reported at estimated net realizable amounts from patients, third-party payors, and others for services rendered Contractual adjustments represent the difference between established rates for services and amounts paid by third-party payors Payments under these agreements and programs are based on either a specific amount per case, costs, as defined, of rendering services to program beneficiaries, or contracted price Amounts for uncollectible accounts are also included as reductions to net patient service revenue Contractual adjustments and bad debts are accrued on an estimated basis in the period the related services are rendered, and are adjusted in future periods as final settlements are determined

Form and Line Reference	Explanation
Schedule H, Part III, Line 8 Community benefit & methodology for determining medicare costs	The data reported for Medicare charges and payments is from the final Management Report produced by the firm that prepared the 2014 Cost Report as submitted to the Fiscal Intermediary in 2015 in compliance with all current regulations. Reported on Line 6 are allowable Medicare Costs provided by the Cost Report. Medicare costs are eliminated from the Subsidized Programs on Part 1 Ln 7g as calculated by our cost accounting analysis. A combination of cost accounting and the Medicare CCR was used for the computation of subsidized programs. This Section B-Medicare also includes 50% of the Medicare activity from Van Matre Health South (VMHS) and the corresponding cost based entirely on their Medicare CCR.

Form and Line Reference	Explanation
Schedule H, Part III, Line 9b Collection practices for patients eligible for financial assistance	Rockford Memorial Hospital has a strong commitment to provide quality patient care for all individuals. Our mission is to provide health care to everyone who comes to our door, regardless of their ability to pay. We will submit a claim to all 3rd party payors on behalf of the patient. We help patients apply for all possible insurance or assistance such as crime victims, an automobile accident, workers' compensation, Medicaid, COBRA, local assistance and/or hospital financial assistance. If they do not qualify for any of these, we can extend payment options such as monthly payments, credit card payments or financial assistance. This is offered to patients who are experiencing legitimate financial hardships and are unable to pay for all or part of the patient's medical care. Forgiveness may apply to an amount after applying all payments such as any insurance company, health plan or personal payments, any negotiated discounts or any uninsured discounts. If a patient eligible for charity care or partial financial assistance still has a portion of the outstanding balance due, other arrangements are made. RMH accepts a variety of payments and alternative payment plans. Monthly statements are sent as payment reminders for contracted arrangements. In case of default, additional letters and calls are made to bring it to a current status. An account is turned over to a collection agency only after non-payment or no contact in 120 days although RMH will suspend collection efforts once a completed application has been received and is pending approval or denial.

Schedule H, Part VI, Line 2 Needs assessment	In 2014, Rockford Health System partnered with other local health care providers and educational, government, and business leaders to support the efforts of the Rockford Health Council in developing a tool and completing a study that identified various areas affecting the quality of life for our residents. Formed in 1995 as a not-for-profit community membership collaborative, Rockford Health Council is comprised of various community leaders and is committed to promoting health and improving access for the residents of northern Illinois. The 2014 Healthy Community Study included a comprehensive community analysis that reviewed demographic, socioeconomic, general health behavior, and disease incidence and mortality information for the residents of Winnebago and Boone Counties and provided comparisons to state and national data. A household survey which focused on demographic, general health conditions, behavioral health, maternal, prenatal, and early childhood health, and chronic disease and obesity was also distributed to residents throughout the community. In addition, a key informant questionnaire was conducted with various individuals throughout the community to identify health and human service needs. The completed study is available on the Rockford Health System and Rockford Health Council respective websites. In addition to the 2014 Healthy Community Study, Rockford Health System completed a community needs assessment in order to plan for and anticipate future clinical program needs and related physician requirements specific to our local and regional community. This study analyzed physicians by specialty within the community including review of suggested physician manpower requirements as determined by population forecasts, physician age, and physician accessibility of the local area and forms the basis for physician recruitment and succession planning. Out-migration analysis was also completed. Understanding why residents of the local community leave the area for various inpatient services is used to plan for future clinical programs and services that may not be readily available in our local community. The study looks at pediatric versus adult patients, actual patient diagnosis and hospital services received. All of these tools were used to develop the Rockford Health System Community Benefit Implementation Plan which was approved by the Board of Directors in 2014. An oversight committee meets routinely to ensure plan implementation of the various strategies and tactics with a progress report provided to the Board on an annual basis.

Form and Line Reference	Explanation
Schedule H, Part VI, Line 3 Patient education of eligibility for assistance	RMH posts signs in both Spanish and English in all general registration areas and the Emergency Department to indicate that financial assistance is available for those who qualify The organization's website states "Patients throughout Rockford Health System are treated regardless of their ability to pay Click on the entity above to learn more " The RMH link to financial assistance and discount programs explains the process in this manner "Rockford Health System provides health care regardless of the patient's ability to pay for such care These guidelines are intended to provide a framework to offer assistance to patients and families with legitimate financial hardship, who are unable to pay for all or a portion of their medical care Covered services are those which are determined medically necessary by a physician Our financial assistance programs are based on whether you have insurance coverage of any kind or are uninsured "

Form and Line Reference	Explanation
Schedule H, Part VI, Line 4 Community information	Rockford Memorial Hospital is located in Rockford, IL (Winnebago County) with a defined primary service area that includes Winnebago, Boone, and Ogle Counties. 2013 US Census Bureau estimates project the population for the entire area at slightly more than 400,500 individuals with a little more than 73% living in Winnebago County (approximately 293,000). Located in northern Illinois, the primary service area is characterized as largely rural and populated with very small communities with the exception of the neighboring cities of Rockford, Loves Park, and Machesney Park which comprise more than 197,000 individuals. The next largest community is Belvidere, located in Boone County where the entire county has a population of approximately 54,000 people. In calendar year 2014, approximately 84% of hospital inpatients were from the Primary Service Area. As a community that relies heavily on manufacturing companies and small businesses, the area was particularly hard hit in recent years. Currently, the largest employers include Chrysler (Boone County), the Rockford Public Schools, and the three Rockford health care providers. The most recent median household income figures (U.S. Census Bureau) in Winnebago County were \$47,000 compared to the state's median household income of \$54,000. These disparities are also reflected in unemployment, education and poverty rates. Unemployment rates have improved with most recent figures for Rockford at 7.2%. Only 21% of Winnebago County residents attain a bachelor's degree or higher while in the state 31% do. More than 17% of the residents in Winnebago County live below the poverty line and children in the community have been particularly hit with more than 27% considered at or below poverty levels. The hospital also serves the secondary service area which includes DeKalb, McHenry, Whiteside, Lee, LaSalle, Stephenson and Rock counties for select tertiary services.

Form and Line Reference	Explanation
Schedule H, Part VI, Line 5 Promotion of community health	Led by a community board of directors, Rockford Memorial Hospital (RMH) and its affiliates are very involved in promoting a healthier community. As one of Rockford's largest employers, the organization takes a leading role in financially supporting not only health-related initiatives, but also community-building activities across the region. This includes providing financial support and talent for economic development and business related activities, as well as quality of life and educational initiatives. Employees participate on community boards and are actively involved in promoting the region and its assets. Based on the results of the Rockford Health Council 2013 Healthy Community Study, the 2014 - 2017 Community Benefit Implementation Plan identified several key areas to focus efforts. For example, as the predominate provider of pediatric services, Rockford Memorial maintains its commitment to the children of our community. This is evident in our support of the Ronald McDonald Care Mobile which provides free dental and medical care to uninsured and underinsured children in five northern Illinois counties. The 40-foot, 26,000 pound mobile unit houses two patient exam rooms, a central waiting room, and a sterilization area and has provided care to more than 6,500 children since the inception of the program in 2003. This totals more than \$1.85 million in free care over the life of the program. The Care Mobile is completely funded by philanthropy from the Rockford Memorial Development foundation, Rockford Memorial Hospital Auxiliary, and the Ronald McDonald House Charities of Madison. The Bridge Clinic is yet another venue for un- and under-insured adults to receive free medical treatment for chronic medical issues. Since its opening in 2008, hundreds of people from our community have received care. Many physicians and other health care providers give freely of their time to provide these services to less fortunate individuals in our community to better manage their chronic conditions. Since 2012, Rockford Memorial continues to partner with A Silver Lining Foundation to provide free breast health services to un- and under-insured women in the community. Approximately 500 women have received free screening mammograms and other breast related services and procedures since the program's inception. These are only some of the many contributions that Rockford Memorial makes to promote and improve the health of the community. Rockford Memorial remains committed to educating the public about various health care issues and initiatives and improving the lives of our citizens. RMH does not restrict admission of providers and provides an open medical staff.
