Facts and Circumstances Statement

The Friends of the Hamilton Schools Foundation normally receives over 1/3 of its financial support from donations from the general public. During 2014, the board realized the organization was in danger of falling below this percentage and created a Fund Raising Committee to develop a permanent program to continuously solicit funds from the general public. The program consists of the creation of a website for the foundation which accepts on line donations, the utilization of alumni database to solicit funds through mass mailing and emailing, the organization of fund raising events, and the recruitment of new scholarships.

This organization benefits the general public in our school district of Hamilton, Montana. It provides scholarships to local high school graduates and the board is comprised of a broad spectrum of community members, including current and retired educators, attorneys, hospital administrators, accountants, building contractors, small business owners, and others.
