Part III **Statement of Program Service Accomplishments**

Check if Schedule O contains a response or note to any line in this Part III . . . . . ☑

1 Briefly describe the organization's mission:

The mission of the Praed Foundation is to support transformational activities in human services, with special emphasis on improving the lives of children and families. It supports a mass collaboration of individuals and organizations who seek to use evidence-based assessments as an approach of working together to maintain the focus of the human services enterprise on the people they serve. Assessment tools developed by the Foundation are distributed free to all qualified users. Dr. Lyons (Director) provides training.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? . . . . . ☑ Yes ☐ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? . . . . . ☐ Yes ☑ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code: 624100) (Expenses $ 77,442 including grants of $) (Revenue $ 86,715)

Annual Users Conference for the Child and Adolescent Needs and Strengths (CANS) assessment tool - October 2014.
One of the primary activities of the Foundation is the development and distribution of assessment tools to the human services community. The Foundation holds intellectual property rights on a number of widely used assessment approaches including the Child and Adolescent Needs and Strengths (CANS) tool. These common assessment strategies are provided at no cost to the user to support effective practice in mental health, child welfare, juvenile justice, schools and prisons.The distribution of these approaches and support for the implementation and full use of the various tools are the promamry activity of the Foundation. The development of the tools is by Dr. John Lyons, Director of the Praed Foundation.Users of the tools must have proper training and certification annually. The annual CANS conference brings together users of the CANS from all over the United States for training, certification, education and speakers. It is also so users can collaborate on the best way to serve the communities who utilize the CANS. Over 400 people attended the 2014 conference in Chicago, Illinois over 4 days.

4b (Code: 624100) (Expenses $ 71,104 including grants of $) (Revenue $ 74,580)

Online website training and certification for users of the CANS and other assessment tools.
In order to relieve training costs for our users of the CANS, the Foundation put in place a web-based training and certification system in which providers subscribe annually at a very reasonable cost ($10.00 per person/yr) to utilize the website. This enables providers to provide their mental health and social workers in various state and private agencies to ensure that their staff is certified to use the assessment tools. Dr. Lyons continues to provide training face-to-face on request and also provides advanced 'train the trainer' classes upon request from our users. The revenue generated from this covers the high expense of maintaining the database and certification statistics for hundreds of users.

4c (Code: 624100) (Expenses $ 111,075 including grants of $) (Revenue $ 199,599)

Contract services. State of Washington Department of Mental Health (2 separate contracts statewide)
The Praed Foundation will provide training and certification of the CANS, a data collection and outcome reporting system and provider collaborative consultation services over the life of the contract. These services will help the State of Washington to streamline the flow of information to understand if clients/consumers are receiving the actual services they need and where gaps exist within the service delivery system. This is a long term project over a 3 year period negotiated annually. Slow start to contract and working out website collaborator details has slowed the amount of expenses in 2014.

4d Other program services (Describe in Schedule O.)
(Expenses $ 166,449 including grants of $) (Revenue $ 258,576)

4e Total program service expenses ▶ $426,070
