January 2014

Dear High School Senior:

This acknowledges receipt of your request for an application for the Ryerson Scholarship Program and includes the following materials:

- Flyer that explains the Ryerson Scholarship Program
- Directions for completing forms
- Application form
- Three recommendation forms.

An additional form, not enclosed, is the FAFSA (Free Application for Federal Student Aid), applicable to U.S. based students only. This form may be obtained from your high school guidance office or may be completed online.

We suggest that you consult with your high school counselor regarding other public and private scholarship sources. In many states the filing of the FAFSA provides consideration for state assistance.

If after reviewing this packet of materials you desire to proceed with the application process, it is important that you adhere to the time limits described in the enclosed directions. Failure to do so or failure to supply correct, accurate, legible information and supporting documentation could disqualify you for consideration by the Scholarship Selection Committee.

If your email address changes during the application process, please be sure to let me know.

All requested information must be received by the Scholarship Office by March 15, 2014.

**Please send completed application by regular mail to:**

**Suzan Perry**  
**Ryerson Scholarship Program**  
**P.O. Box 366**  
**Lansing, IL 60438-0366**

Sincerely,

Suzan Perry

## **RYERSON SCHOLARSHIP PROGRAM**

Chicago, IL 60606

### **DIRECTIONS**

For Completing Ryerson Scholarship Application Forms

2014 Awards

Most items on the scholarship application forms are self-explanatory. However, the following instructions and comments will assist you in providing the requested information.

Before you begin to fill in the forms, be sure that you understand what information is being requested. It is advisable to prepare your responses in draft form before entering them on the application. **Your responses must be typewritten or legibly printed.**

Try to limit your responses to the space provided except where otherwise noted on the form. If additional space is required to respond to an item, attach a piece of paper, including your name and the number of the item to which the response applies.

### **APPLICATION FOR SCHOLARSHIP**

#### **Type of Scholarship**

Decide if you want to apply for a Ryerson Scholarship renewable for four years (need based), or for a one-time honorary award. If you do not wish to be considered for a scholarship based on financial need, check the honorary award box. Due to the required documentation of financial need and the timing needed to award the scholarships, Canadian students will be unable to participate in the four year renewable scholarship. This will not affect the Scholarship Selection Committee's consideration of your application. It will indicate, however, that you do not intend to submit the "Free Application for Federal Student Aid" (see section on FAFSA).

#### **3. Student Birth Date and Identification**

SSN is your Social Security Number. SIN is your Social Insurance Number (Canada only)

#### **5. College Preference**

Not decided on which colleges you prefer? Indicate those that are your most likely choices or write "Undecided."

#### **6. Major/Career**

Not sure of your major or career? Write "Undecided."

#### **7. Dependant Eligibility**

Your application must include a copy of birth certificate, legal adoption paperwork, or proof of guardianship demonstrating that you are a legal dependant of the named employee.

#### **8. Employee Job Information**

For retired or deceased Ryerson employees, indicate where the person was last employed at Ryerson.

### **Self-Description, Page 4**

Since there is no personal interview, this short essay is an important means for you to communicate with the Scholarship Selection Committee. Be as creative as you wish. Discuss your extracurricular activities, community work, hobbies or special interests - those activities that are most important to you. Confine your comments to the space provided.

### **SAT or ACT Date (U.S. Only), Page 4**

If you have already taken the SAT or ACT (the preference is for the SAT), indicate the date in the space provided. (Be sure that the Ryerson Scholarship Program Office receives a copy of your scores.) Be aware that the Selection Committee uses the scores as one part of their consideration for the scholarship, so the deadline for the scores to be in the Scholarship Program Office must be **March 15, 2014**.

### **RECOMMENDATIONS**

Three recommendations are required: one from a counselor or advisor, one from a teacher and one from an adult outside of your school, preferably an employer. If you do not have a counselor or advisor, a teacher who is familiar with your academic work and your other achievements may provide a recommendation.

Three recommendation forms are included. Print your name, last name first, in the space provided at the top of each form before presenting it to the person that will be completing the recommendation form.

It is your responsibility to ensure that the forms are completed and that they reach the Scholarship Office by the **March 15, 2014** deadline. It is advisable to contact the Scholarship Office to assure that they have been received.

### **FAFSA**

FAFSA is the "Free Application for Federal Student Aid" for U.S. students only. It is used as one of the criteria when awarding scholarships based upon financial need. It should be completed as soon as possible after January 1, 2014, as it may take several weeks to process. Contact your high school counselor regarding FAFSA as well as other possible public and private scholarship sources. In many states the filing of the FAFSA provides consideration for state assistance.

After the FAFSA has been processed, a Student Aid Report (SAR) will be sent to you. This report will include an EFC number (Expected Family Contribution). You will need to **submit all pages** of the SAR to the Ryerson Scholarship Office by **March 15, 2014**.

### **OTHER**

Direct any questions you might have that are not answered in the accompanying Scholarship flyer to **1-800-438-3455 x5504** or write to Suzan Perry, Ryerson Scholarship Program, P.O. Box 366, Lansing, IL 60438-0366 or [suzan.perry@ryerson.com](mailto:suzan.perry@ryerson.com). Please retain the Ryerson Scholarship flyer for future reference.

Good luck!

## RYERSON SCHOLARSHIP PROGRAM

Continuing a proud tradition...

*Ryerson supports the educational aspirations of employees' children through the Ryerson Foundation. The company has long believed that investing in the future of youth is good business and continues that proud tradition by awarding annual college scholarships.*

### Purpose

The Ryerson Scholarship Program provides scholarships to legally defined dependant children of Ryerson employees who have demonstrated, through their academic achievements and leadership abilities in high school, that they have potential to succeed in college and in their future endeavors. The scholarships are intended to assist those selected to attend the college or university of their choice and to realize their academic and career objectives.

### Eligibility

Any legally defined dependant child of a U.S. or Canada-based Ryerson employee is eligible to apply for the Ryerson Scholarship. The child may be a stepchild, legal ward, or legally adopted child. The employee must be fulltime, or may be retired, disabled, or deceased. The active employee must have completed one year of continuous service with Ryerson as of March 1 of the year the scholarship is awarded. Applying students must be seniors/12<sup>th</sup> graders graduating from high school in the year the scholarship is awarded, while in Quebec, only students graduating from CEGEP in the year the scholarship is awarded are eligible.

### Stipends

Except for one-time honorary awards, the Ryerson Scholarship Program is need based. This means that the amount of the stipend will depend on the financial need of the qualifying student. Financial need is defined as the difference between the financial resources available to meet the qualifying student's college costs (parent contribution, student contribution from savings, employment and assets; plus financial aid from other scholarships and sources) and the annual cost of the college selected. The stipend amount ranges from a one time \$1,000 (US) honorary award to a maximum of \$2,000 (US) for each of the four successive years the qualifying student is in college. A key factor in determining the amount of the four year scholarship, applicable to U.S. based students only, is the analysis of the Student Aid Report (SAR) obtained by filing the Free Application for Federal Student Aid (FAFSA).

### Application

Information about the Ryerson Scholarship Program is circulated in the fall of each year via company mailings and emails. Flyers announcing the beginning of the application process are distributed to all business units to display in designated places at all Company locations and on Artie. Interested employees should notify the Ryerson Scholarship Office by completing and submitting the form provided. Upon receipt of that completed form, a packet containing a formal application and supporting documents, along with instructions, will be sent to the applicant. The applicant is responsible for having all forms completed and supporting documentation assembled and returned to the scholarship office by the stated deadlines.

### Selection

Completed applications and supporting documents will be reviewed by the selection committee, which is independent of Ryerson and comprised of education professionals. Winners will be selected on the basis of their high school records, the results of their SAT or ACT scores (U.S. only), their leadership activities in school and in the community, and their future academic and career potential. (Note: The selection committee prefers applicants take the SAT, but it accepts the ACT from students not otherwise required to take the SAT.) Students who have experienced difficult circumstances at home or in school, or who have attended schools with limited opportunities, but who have nonetheless compiled exemplary high school records and show promise of completing their college education, are given equal consideration. The number of new scholarships granted each year is determined by the budget approved by Ryerson. The composition of winners will, to the extent possible, reflect the diversity of the Ryerson workforce.

### Notification

All applicants, winners and non-winners, are notified of the selection committee's decision by May of each year. Winners are not advised of the amount of their scholarship stipend until other scholarship programs announce their awards and after the applicants have decided what college to attend.

**Use of Awards**

A Ryerson Scholarship may be used at any regionally accredited college, university or technical school as approved by the selection committee. Approved institutions maintain a regular faculty, curriculum and an organized body of students in attendance. Their programs of study should lead to a bachelor's degree over a minimum of four years. The student must maintain a full-time student status. A student may enroll in a program of shorter duration if credits earned in that program are transferable into a four-year program.

**Renewal**

Except for the one-time honorary awards, Ryerson Scholarships awarded to U.S. based students are renewable on a year-to-year basis during four consecutive years of undergraduate study for a bachelor's degree. The student must make satisfactory academic progress, maintaining good academic standing, which means a minimum C+ average must be met each consecutive term (minimum grade of 75%) in order for the scholarship to continue. The student must also continue to furnish the necessary documentation to demonstrate financial need for each successive school year. Additionally, the student must take and complete a full-time course of study. If the student is enrolled in a five-year undergraduate degree program, the selection committee may consider extending the scholarship for an additional year if the student's academic record warrants it.

Scholarship recipients transferring to another college or university are required to submit photo copies of the Student Aid Report for the current award year. All students must forward copies of their official transcripts to the Ryerson Scholarship Office at the end of each school year. Failure to do so could delay timely payment of stipends at the beginning of the following school year. Renewal of a Ryerson Scholarship is not contingent upon continued employment of the student's parent by Ryerson

**Adjustment of Scholarship Stipend**

An upward or downward adjustment of a student's annual stipend may occur, depending on the circumstances. Such circumstances include a change of college or university or a change in a student's financial situation. For example, if a student's financial need increases substantially during the four years of eligibility, the stipend committee will consider increasing the amount of the stipend. A written request must be forwarded to the Ryerson Scholarship Office explaining the circumstances involved. If the additional assistance substantially alters the amount of financial need, the stipend committee may reduce the amount of the Ryerson stipend. The student must submit the Student Aid Report (SAR) by March of each year following their selection as a scholarship recipient.

**Change in Value of Awards**

If the maximum and/or minimum stipends are increased by Ryerson, the new amounts will apply for those scholarships awarded that school year and in future years. Renewals will continue at the amounts in effect at the time those scholarships were awarded.

**Payments**

Stipends are paid directly to the college or university in August of each year. The stipends are credited to the student's account, with the amount divided equally between semesters or among quarters, as appropriate. To initiate payment, entering freshmen must send the Ryerson Scholarship Office a copy of their official notice of registration. **Upper classmen are responsible for sending the Ryerson Scholarship Office a copy of their official transcripts at the end of each school year and the SAR by March of each year.**

**Interruptions**

In case of illness, military service or other temporary interruption of studies for personal or financial reasons, Ryerson Scholarships will be temporarily withheld. At the appropriate time, a written request can be made to the Scholarship Office for reinstatement if the student left his or her previous institution in good academic standing.

**Other Company-Sponsored Scholarships**

All finalists are eligible to receive only one scholarship funded by Ryerson.
