Accordingly, no provision has been made for federal or state income taxes. Additionally, the Organization has been determined not to be a private foundation under Section 509(a) of the Internal Revenue Code. U S GAAP requires that a tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50 percent likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. Due to its tax-exempt status, the Organization is not subject to U S federal income tax or state income tax. The Organization's Form 990 has not been subject to examination by the Internal Revenue Service or the state of Wisconsin for the last three years. The Organization does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months. The Organization recognizes interest and/or penalties related to income tax matters in income tax expense. The Organization did not have any amounts accrued for interest and penalties at December 31, 2014 or 2013.
