Part VI Question 11 The board of directors does not see the form 990 and its supporting schedules before it is filed. Often the filing deadline arrives before a meeting of the board meets. However, once the forms are filed, at the next meeting of the board of directors, a copy of the completed form and supporting schedule is introduced to the board and is gone through and then filed in the records of the center.

Part VI Question 12C The conflict of Interest Policy is reviewed on an annual basis. If at any time, items of conflict arise, the individual will be requested to sign the waiver before enforcement of the conflict is addressed.

Part VI Question 19 All documents of the Center are kept in the office of the Executive Director and are under her control. If someone needs to see or review them, with the right and proper identification she would have the authority to make them available to the person wanting to review them. All financial records are kept at the home of the volunteer treasurer. There again if someone should want to see them, with proper identification permission would be granted. The financials are kept in the treasurer's possession so as to be able to answer questions that vendors may have.
