OUR MISSION

The Land O'Lakes Foundation is committed to improving the quality of life in communities where Land O'Lakes, Inc. has members, employees, plants and facilities. Land O'Lakes Foundation proactively helps rural communities prosper and prepare for tomorrow by donating resources that develop and strengthen organizations dedicated to hunger, education, and community.

OUR HISTORY

For more than 90 years, Land O'Lakes has supported rural communities throughout the United States by donating millions in funds and food and by promoting volunteerism. In 1996, the company formalized its commitment to corporate giving by creating and endowing Land O'Lakes Foundation. Land O'Lakes is the sole funder. Each year, Land O'Lakes dedicates 2 percent of pre-tax earnings to charitable giving, with 1.5 percent going to the Foundation. One half percent is direct corporate giving in the form of product donations to the Feeding America Food Bank Network, the nation's largest hunger-relief organization. About 80 percent of the Foundation's giving is earmarked for rural communities across 25 states.

OUR PROGRAMS

Land O'Lakes Foundation is committed to helping non-profit groups make a difference in their communities through grants, matching grants and matching gifts to education. Included are the following programs:

- The **Community Grants Program** provides cash grants that help groups put plans and people into action: alleviating hunger, enhancing education, and addressing community concerns.
- The **Member Co-op Match** program matches dollar-for-dollar the donations of Land O'Lakes member cooperatives, doubling the funds available for hometown projects.
- The **Mid-Atlantic Grants** program funds community projects in Pennsylvania, Maryland, Delaware and New Jersey, initiated by Land O'Lakes dairy farmer-members.
- The **California Regions Grants** program funds community projects in three areas of California: Orland, Tulare/Kings/Bakersfield and Ontario, initiated by Land O'Lakes dairy farmer-members.
- The **Matching Gifts to Education** program matches employee, leadership council and board member donations, up to \$2,000, to qualifying schools, including K-12, universities, colleges and vocational technical schools, and public broadcasting.
- **John Brandt Memorial Scholarships** encourage high quality students pursuing post graduate degrees in the areas of Dairy Science or food marketing and manufacturing.

Land O'Lakes also encourages volunteerism by supporting current and retired employees in their community efforts through the following:

- The **Dollars for Doers** program provides non-profit organizations with cash donations based on volunteer hours - up to 3 applications or \$1,000 per employee/retiree annually.
- **GrowingTogether Community** encourages Land O'Lakes employees to select and coordinate community activities at their plant or office location.
- The **Expanding Community and Horizon Outreach for Seniors (ECHOS)** program encourages retirees to stay active and get involved in their communities.

Land O'Lakes Foundation is the 2013 recipient of the Minnesota Keystone Award.

CALIFORNIA REGIONS GRANT PROGRAM

GUIDELINES

Program Description

The California Regions Grant Program is a grassroots program developed specifically for selected Land O'Lakes dairy communities in the Orland, Tulare/Kings/Bakersfield and Ontario regions. The program works to improve quality of life through donations to valuable projects and charitable endeavors recommended by our California dairy member leaders.

Community organizations applying for grants may be eligible for donations of \$500 to \$5,000 for local projects and programs.

Funds could be used to support such worthwhile projects as

- Backing local food pantries or emergency feeding efforts
- Building a new park pavilion for the community
- Aiding 4-H or FFA programs
- Purchasing books for the community library

Eligibility

To be considered, grant proposals must demonstrate how the donation will be used to help improve community quality of life. Grants are generally restricted to organizations that have been granted tax-exempt status under Section 501(c)(3) of the Internal Revenue Code.

Land O'Lakes Foundation awards grants to projects that best address the following focus areas

- Hunger relief
- Civic improvements
- Youth and education
- Arts and culture

Grants will not be awarded for the following purposes

- Scholarship funds
- Gifts or fund raisers for individuals
- Non-public church use
- Projects that do not demonstrate a broad application of the principles established in the Land O'Lakes Foundation mission statement

Application Procedure

Applying organizations must fill out Part 1 of the Application Form. Be sure to state your organization's mission and its need for the requested donation. Specify how the donation will improve the quality of life in your community. After fully completing Part 1, return the application to a Land O'Lakes unit delegate. The unit delegate will evaluate the application and complete Part 2. He or she will make a recommendation and state his or her reason(s) for the recommendation. The delegate will send the completed application to Land O'Lakes Foundation for a grant decision.

Grant Administration

An application review and grant decision may take two to four weeks. If Land O'Lakes Foundation decides to award a requested grant, a check will either be sent directly to the organization or to the Land O'Lakes delegate for a formal presentation. If the Foundation denies the proposed grant, a denial notice will be sent to the organization and to the dairy delegate.

Land O'Lakes Foundation reserves the right to change or withdraw this program without notice at any time. The Foundation determines the interpretation and administration of the program's provisions, and all decisions are final.

DOLLARS FOR DOERS PROGRAM

GUIDELINES

Program Description:

The Dollars For Doers Program is one of a few programs nationwide that rewards local community volunteerism. The Land O'Lakes Foundation gives financial grants to eligible nonprofit organizations based on the amount of time a volunteer gives to the organization. Through Dollars for Doers, the organization benefits twice: once from the volunteer's contribution of time and again from a Land O'Lakes Foundation financial contribution.

Dollars for Doers grants are awarded for many types of volunteer activities including teaching reading for literacy, working as a volunteer firefighter, delivering meals to seniors, and many activities that build and strengthen communities.

Program Guidelines:

- Volunteer hours add up to dollars for the organization to which time is donated. The volunteer may apply for grant funds for the nonprofit organization after completing the following number of volunteer hours at one organization:
 - \$100 for 16 hours of service
 - \$250 for 50 hours of service
 - \$500 for 100 hours of service
- Hours accumulate during the calendar year – from January 1 to December 31, and can't be carried over from year to year. Volunteers who are newly hired can start accumulating hours right away.
- Volunteers can apply for a grant anytime during the year, but the application deadline is November 30.
- Volunteers can receive up to three grants per calendar year with a combined maximum award of \$1,000 annually. These grants can be allotted to one to three different organizations. More than one employee can apply for grant funds for the same organization.
- Dollars for Doers grants are paid on a monthly basis. Employees will be notified when the match is completed.
- Land O'Lakes Foundation reserves the right to change or withdraw this program without notice. The interpretations and administration of the provisions of the program are determined by the Foundation.

Eligibility:

Full-time, part-time and retired employees of Land O'Lakes, Inc. are eligible to apply.

Eligible volunteer organizations must be:

- A nonprofit agency
- Certified for tax-exempt status under the Internal Revenue Service Code 501(c)(3)

Ineligible organizations include:

- Lobbying, political, religious, fraternal, veteran and labor organizations

Note: If a volunteer's service is coordinated through one of the above types of organizations, but clearly benefits an eligible nonprofit agency, that agency may receive a grant. For example, if your volunteer service for a food shelf has been organized by a church, the food shelf is eligible to receive a grant.

Application Procedure:

Participating volunteers must complete Part 1 of the application and send the entire application to the nonprofit organization. The recipient organization must complete Part 2 and forward the completed application with a copy of the 501(c)(3) letter to the Foundation at the address below.

Grant Program**
Guidelines and Application Form

MID-ATLANTIC GRANT PROGRAM

GUIDELINES

Program Description

The Mid-Atlantic Grants Program is a grassroots program developed specifically for Land O'Lakes dairy communities in the states of Maryland, New Jersey, New York, Pennsylvania and Virginia. The program works to improve quality of life by supporting valuable projects and charitable endeavors initiated by our Mid-Atlantic dairy member leaders.

Community organizations applying for grants may be eligible for donations of \$500 to \$5,000 for local projects and programs.

Funds could be used to support such worthwhile projects as:

- Backing local food pantries or emergency feeding efforts
- Establishing a local wetland preserve
- Aiding 4-H or FFA programs
- Purchasing books for the community library
- Building a new park pavilion for the community

Eligibility

To be considered, grant proposals must demonstrate how the donation will be used to help improve community quality of life. Mid-Atlantic grants are generally restricted to organizations that have been granted tax-exempt status under Section 501(c)(3) of the Internal Revenue Code.

Land O'Lakes Foundation awards grants to projects that best address the following focus areas:

- Hunger relief
- Youth and education
- Rural leadership
- Civic improvements
- Soil and water preservation
- Arts and culture

Grants will not be awarded for the following purposes:

- Scholarship funds
- Gifts or fund raisers for individuals
- Non-public church use
- Projects that do not demonstrate a broad application of the principles established in the Land O'Lakes Foundation mission statement

Application Procedure

Applying organizations must fill out Part 1 of the Mid-Atlantic Grants Application Form. Be sure to state your organization's mission and its need for the requested donation. Specify how the donation will improve the quality of life in your community. After fully completing Part 1, return the application to a Land O'Lakes area or unit delegate. The area or unit delegate will evaluate the application, and complete Part 2. He or she will make a recommendation and state his or her reason(s) for the recommendation. The delegate will route the application to a Land O'Lakes Area Procurement Specialist (APS) for review.

Upon completion of Part 3, which includes signed approval, the APS will send the completed application to the Foundation for a grant decision.

Grant Administration

An application review and grant decision may take two to four weeks. If Land O'Lakes Foundation decides to award a requested grant, a check will either be sent directly to the organization or to the APS for a formal presentation. If the Foundation denies the proposed grant, a denial notice will be sent to the organization and to the APS.

Land O'Lakes Foundation reserves the right to change or withdraw its program without notice at any time. The foundation determines the interpretation and administration of the program's provisions, and all decisions are final.

For additional information about the Mid-Atlantic Grant Program or other programs, please call 1-800-328-9680.
