Part I, Line 3	The corporation's (CRI) president and other officers are employed and compensated by Children's Medical Center of Dallas (Children's). The Children's process is as follows: 1. The Human Resources Committee of the Board is responsible for setting the compensation for executives, except the President and CEO, which is set by the Board of Directors. The Committee is comprised of independent, non-employee directors with no conflict of interest regarding executive compensation. A written compensation philosophy has been developed by the Human Resources Committee for timeliness and appropriateness. The philosophy defined desired comparator groups for compensation surveys. The comparator groups are from domestic healthcare industry sectors only and do not include any non-healthcare organizations. 2. The compensation philosophy also defines target levels relative to the marketplace comparator groups for base pay, base pay plus incentive pay, and fringe benefits provided to Children's executives. A third-party consultant, Sullivan Cotter, is engaged by the Human Resources Committee and provides independent, expert consulting services in the area of executive compensation market surveying, pay and benefits program design, and administrative services. Salaries for Children's executives (except for the President and CEO) are set by comparing the salaries paid for comparable positions in integrated systems, academic medical centers, and children's hospitals in similar size and scope of services to Children's. 3. The salary for the President and CEO is set in reference to salaries paid for Presidents and CEOs of children's hospitals in similar size and scope of services to Children's. The data is compiled by Sullivan Cotter and they develop and update annually salary ranges unique to each executive position. The Human Resources Committee approves base pay for each executive (except the President and CEO, whose base pay is approved by the Board of Directors) aimed in the aggregate at approximately the middle of executive pay ranges. 4. For other officers and key employees, Children's uses a combination of job evaluation and survey data to determine the market pay range.
