1) THE ALG ON-LINE MARKET is the first, direct farm-to-consumer farmers market in the Augusta area, with pick-up locations in two different locations. This market is a service to local farmers in that it significantly streamlines the market process for more effective use of time and resources for farmers. In 2014, the on-line market included about 50 farmers, many of them hobby farmers who are new to farming and/or farmers markets. As such Augusta Locally Grown also provides a service to new farmers by helping them understand and work within the county, state and federal guidelines for food safety and economic benefit of all. It runs year-round.

2) THE EVANS TOWNE FARMERS MARKET is a traditional, direct farm-to-consumer farmers market in Columbia County, GA. It is a weekly market located in the heart of the county seat. The market features extensive childrens' educational programs, cooking demos, cooking contests, and grow-your-own garden education programs. It runs March-October.

3) THE VEGGIE TRUCK FARMERS MARKET is a traditional, direct farm-to-consumer market in the low income neighborhood of Harrisburg. It is the only market in Augusta that accepts EBT/SNAP and also the first Wholesome Wave EBT/SNAP doubling program in the area. It enjoys significant volunteer support from Medical College of Georgia students and local churches. Runs March-October.

Those who commit to a full semester of volunteer hours (3 per week) receive a small stipend. Students who use the opportunity to complete their senior projects volunteer without a stipend. Intern projects completed in 2014 included: 1) helping design a drought-resistant "hugelkulture" raised bed at one of our youth garden programs; 2) helping install raised bed vegetable gardens for individual families in a low-income neighborhood of downtown Augusta; 3) assisting with local foods culinary preparation at educational events, including garden workshops and a kids health fair.

Part VI **Supplemental Information.** Provide the explanations required by Part II, line 10; Part II, line 17a or 17b; and Part III, line 12. Also complete this part for any additional information. (See instructions.)

Part III, Line 12: The totals in these line items are payouts to farmers (pass-through money) at the farmers markets, which we organize and manage as a nonprofit organization. This is not "revenue" or "income" to our program. Rather, it represents market sales made by farmers and other vendors when customers use our "token" system to purchase at our farmers markets. Augusta Locally Grown acts as a third-party payor at its farmers markets and abides by the law outlined in IRS 6050W in conducting and reporting these transactions. Furthermore, our "Farmer & Grower Handbook" clearly states that market vendors are responsible for reporting their own sales tax and income tax for sales made at the markets that we manage. The small income generated by these services to our organization is reported as mission-related, program-generated income.

Part III, 4a - Statement of Program Service Accomplishments - Our Farmers Market Services include "Payouts to Farmers," which represent the bulk of the "expenses" in the category. This is NOT technically "revenue" to our program. Rather, it represents farmers market sales made by farmers and other vendors when customers use a "token" or "script" system to purchase at our farmers markets. The farmers market third-party payment network requirements are addressed in the IRS ruling called "Information Reporting Requirements Payments Made in Settlement of Payment Cards and Third Party Network Transactions" in 2011, with regards to IRS 6050W. Specifically this states that a "central payor in a farmers market scenario may have an obligation to issue information reports (via 1099-K) documenting payments made to market stall merchants if their relationship meets the definition of a third party network and if the number and amount of transactions exceed certain thresholds." (August 22, 2011, posted by the Farmers Market Coalition, Inc.) Further, it states that "Third party network transactions are reportable only if the total annual transactions with respect to a particular payee exceed \$20,000 and 200 in number." We have attached a copy of that document to this Schedule O. Please note that we carefully track payments made to all farmers (and related market vendors) and have attached summaries for all three markets we managed in 2014. As shown, none exceed the \$20,000-and-200 transactions rule in fiscal year 2014. Thus, we did not issue 1099-Ks to our market vendors for that time period. In our 990 reporting, we include the income and expense of these third-party Farmers Payouts because they pass through our banking accounts. However, as supported by our recent 501c3 ruling, we understand that the IRS takes into consideration that this particular amount (\$202,040.67) is not a realistic indication of the "cost" or "income" of the services we offer. Rather, it reflects the portion of our program that involves us as a pass-through, third-party network. Given gross receipts of \$251,835.13 for the year 2014, it is clear that third-party payouts is a large portion of that. To further clarify our role as central payor at the Augusta Locally Grown On-Line Market, Evans Towne Farmers Market and the Veggie Truck Farmers Market, our Board of Directors has established guidelines for vendors with regard to sales and income reporting. Our "Farmer & Grower Handbook" clearly states that market vendors are responsible for reporting their own sales tax and income tax for sales made at our markets. In the event that some of our vendors come close to approaching the \$20,000-and-200 transaction rule, we will implement a policy of collecting w-9s from our vendors. At this time, however, given that our markets are weekly and seasonal, it is not even possible for any of our vendors to come close to the 200-transaction limit in any given year. In preparing our 990 report for 2014, we expect that the IRS will continue to agree with our interpretation and application of its Third Party Network Transaction policy for farmers markets.

Part V, 1c - Statements Regarding Other IRS Filings and Tax Compliance - Augusta Locally Grown followed IRS guidelines for payouts to

farmers market vendors as described in the 2011 ruling regarding farmers markets on the handling of the IRS 6050W.

Schedule O (Form 990 or 990-EZ) (2014)

Name of the organization

AUGUSTA LOCALLY GROWN, INC.

Employer identification number

45-3581329

Part V, 3a - Statements Regarding Other IRS Filings and Tax Compliance - Augusta Locally Grown did not have any unrelated business gross income during the 2014 fiscal year.

Part V, 14a - Statements Regarding Other IRS Filings and Tax Compliance - We do not conduct indoor tanning services, nor will we EVER do so. It does not fall within the mission of our organization whatsoever.

Part V, 6a - Statements Regarding Other IRS Filings and Tax Compliance - The organization has annual gross receipts of more than \$100,000 mostly due to our role as a third-party payor at farmers markets. During the first half 2014, we received several gifts from the community to help pay for our educational programs. All granting parties were made aware that their support of our programs was not tax exempt because we had not yet received final approval on our 501c3 status. 6b - We did not do any formal solicitations until after July 2014.

Part VI, 4 - The Board of Directors elected to increase its number of members of the Board from 9 to 12, with a quorum of 7. This change was made at the Board of Directors meeting on December 2, 2014. It was recorded as a change to our bylaws.

Part VI, 11b - Having already reviewed the 2014 financials in February 2015, the board received an email of the 990 prior to submission to IRS.

Part VI, 12c - Policies - This 990 was compiled by our volunteer Exec Director Kim Hines, with review by our current Board of Directors, via email, during the week of July 27-31. This was done after a pro bono review by CPA Bambi Arnold of Washington GA on Apr 28, 15.

Part VI, 15a - Policies - Our Board of Directors is mindful of the fact that conflict of interest may arise when we discuss issues that pertain to our farmers market policies because several market farm vendors sit on the board. As such, it is understood in our meetings that a board member who is also a farmer may be asked to abstain from a vote if the issue would unfairly advantage that board member. At this time, no such decisions have been made. The conflict of interest policy is clearly spelled out in the organization's bylaws.

Part VI, 15a - Policies - The process for determining compensation for the Executive Director of the organization has not yet been determined because the organization does not currently have the funds to pay a salary for that (or any) position. We funding is procured, the Board of Directors will consider comparable data and it contemporaneously substantiate its deliberation and decision in the process of setting fair pay

Part VI, 19 - Disclosure - ALG's governing documents, conflict of interest policy (in the bylaws) and financials are available by request.

Part VIII, A 1a - Our board treasurer, Leslie Carson, was contracted to manage one of our farmers markets. She did not get paid as treasurer.

Part VIII 11 a,b,c,e - Our miscellaneous revenue are payouts to farmers (pass-through money) at the farmers markets that we manage. This is not revenue or income to our program. Rather, it represents market sales made by farmers when customers use a "token" system at our markets. ALG acts as a third-party payor in this system, and abides by IRS6050W in reporting these transactions.

Part IX, 11g - Statement of Functional Expenses - This amount reflects fees for services paid in the form of stipends or contracts to: 1) 10 student interns; 6 market managers, and 4 educators. Most earned less than \$600. For those earning more in 2014, a 1099 was provided.

Part IX, 24d - Payouts to farmers are pass-through monies, not income or revenue to our program. See Part III, 4a explanation above.
