Local agents are recruited and screened based on their previous experience in identifying and understanding the needs of individuals in

the developing world. A references check is also conducted to confirm that the potential local agent is a person of integrity.

Local agents are then asked to follow strict criteria in identifying potential grant recipients who have needs in the areas of health, education, and housing. Potential grant recipients must have personal references that date back at least one year, and they are disqualified if they ever received a grant from Especially The Family at any time in the past.

Once a grant has been awarded, the local agent is required to assist the grant recipient in applying the funds provided to exactly the need that was communicated in the potential grant recipient's initial need profile. A typical one-time grant is awarded in the amount of \$600.
