Deaf Can received a grant from Alcohol and Drug Abuse Division under Minnesota Department of Human Services to provide sober housing and support services to persons who are Deaf or Hard of Hearing and recovering from substance use disorders. The program model aims to help the client maintain stabilization of biological, psychological and social functioning in the community; to promote a positive and healthy lifestyle; and solidify the gains accomplished in treatment. The design of the project is to find safe and sober supportive housing in the community and hire qualified Sober Coaches to provide housing support services to deaf adults 18 years or older who have completed primary treatment from the Minnesota Chemical Dependency Program for Deaf and Hard of Hearing Individuals (MCDPDHHI). The \$126,000 annual fiscal year grant is used for facility, equipment and staffing costs. Sober Coaches will provide instruction covering communication skills, community resource utilization skills, relapse prevention skills, employment skills, health management and basic living skills.

Outcome measures reported to state will focus on housing stability; increased skills or income; and greater self-determination.

Deaf Can, near the end of 2014, established a community outreach program for Deaf, Hard of Hearing and DeafBlind individuals who experience challenges in daily living. The program was licensed as a 245D provider under Minnesota Department of Human Services, and is eligible to provide services statewide. Licensed services include: Independent Living Skills (ILS) training, Homemaker (Tier 1) services, and Adult Companion services. Funding to pay for services is arranged by the individual's county social worker who develops a service agreement that details what type and how much services is needed for that person.
