**CONFLICT OF INTEREST POLICY
OF
COBB EMC COMMUNITY FOUNDATION, INC.**

ARTICLE I

Purpose

The purpose of this Conflict of Interest Policy is to protect the interests of COBB EMC COMMUNITY FOUNDATION, INC. (the "Foundation"), when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a Director, Chairman, or Officer of the Foundation, or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflicts of interest applicable to nonprofit and charitable organizations.

ARTICLE II

Definitions

2.1. Interested Person. Any Director, Chairman, Officer, or member of a committee with powers delegated by the Board of Directors (the "Board"), who has a direct or indirect *financial interest*, as defined below, is an "Interested Person" under this Policy.

2.2. Financial Interest. A person has a financial interest if the person has, directly or indirectly, through business, investment or family:

- a. An ownership or investment interest in any entity with which the Foundation has a transaction or arrangement;
- b. A compensation arrangement with the Foundation or with any entity or individual with which the Foundation has a transaction or arrangement; or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Foundation is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not substantial. A financial interest is not necessarily a conflict of interest. Under Section 3.2, a person who has a financial interest may have a conflict of interest only if the Board decides that a conflict of interest exists.

ARTICLE III

Procedures

3.1. Duty to Disclose. In connection with any actual or possible conflict of interest, an Interested Person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Board prior to the Board's consideration of the proposed transaction or arrangement.

3.2 Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the Interested Person, he/she shall leave the Board meeting while the determination of a conflict of interest is discussed and voted upon. The Directors shall decide if a conflict of interest exists.

3.3 Procedures for Addressing the Conflict of Interest.

- a. An Interested Person may make a presentation at the Board meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The Chairman of the Board shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the Board shall determine whether the Foundation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board shall determine by a majority vote of the disinterested Directors whether the transaction or arrangement is in the Foundation's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

3.4 Violations of the Conflicts of Interest Policy.

- a. If the Board has reasonable cause to believe a person has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board determines the person has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

ARTICLE IV
Records of Proceedings

The minutes of the Board and any committee with board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest, any action taken to determine whether a conflict of interest was

present, and the Board's decision as to whether a conflict of interest in fact existed; and

- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

ARTICLE V Compensation

A person sitting on the Board who receives compensation, directly or indirectly, from the Foundation for services is precluded from voting on matters pertaining to that person's compensation. A voting member of any committee whose jurisdiction includes compensation, directly or indirectly, from the Foundation for services is precluded from voting on matters pertaining to that member's compensation.

ARTICLE VI Receipt of Policy

Each Director, Chairman, Officer, or member of a committee with powers delegated by the Board shall annually sign a statement which affirms such person:

- a. Has received a copy of the conflicts of interest policy;
- b. Has read and understands the policy;
- c. Has agreed to comply with the policy; and
- d. Understands the Foundation is charitable and that in order to maintain its federal exemption it must engage primarily in activities which accomplish one or more of its tax-exemption purposes.

ARTICLE VII Periodic Reviews

To ensure that the Foundation operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews will be conducted. The periodic reviews will, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on a competent survey of information, and the result of arm's length bargaining; and
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Foundation's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further

charitable purposes, and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

ARTICLE VIII
Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, the Foundation may, but need not, use outside advisors. If outside experts are used, their use will not relieve the Board of its responsibility for ensuring periodic reviews are conducted.

The above Conflict of Interest Policy was adopted by the Board on the 3rd day of October, 2013.
