Statement 4 - Explanation for Not Filing on Time

Description

We respectfully request abatement for any penalties related to failure to timely file an information return. This statement is made under penalties of perjury and is an attachment to Form 990PF. The return was originally due on May 15, 2015 without requesting an extension.

We are a new organization and did not realize that we needed to file a short year return for our initial year. We are now aware of our filing responsibilities and have implemented procedures so that all future information returns will be timely filed.

We respectfully request abatement of any penalties due to the reasonable cause exception. Please contact us should you need further information or clarification.
