Our mission is to strengthen the faith of Christian students and their parents by providing faith-building evidences that support the historical and literal Creation account presented in Genesis and other Biblical passages. This includes making a comparative evaluation between public school evolution teaching and this Biblical position. Our mission also includes providing compelling evidence to seeking skeptics who are genuinely pursuing truth regarding origins, Creation, and the Bible.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.

28 Genesis Apologetics is a non-profit organization that seeks to equip Christian students attending public schools and their parents with faith- building materials that reaffirm a Biblical creation worldview. We are committed to providing Christian families with Biblically- and scientifically-based answers to the evolutionary theory that many children are taught during 6th, 7th, and 10th grades in public schools (in California) and most other states during varying grades (Grants \$ 46,985).
