2014 TAX REPORTING STATEMENT

The following sections are provided to facilitate your review and the preparation of your tax return.

The 2014 Proceeds from Broker and Barter Exchange Transactions section includes both sales of positions for "covered securities" and "noncovered securities." A covered security includes securities when the purchase date of the security occurred within the following timeline: Equities acquired on or after January 1, 2011, Mutual Funds acquired on or after January 1, 2012, and Option Transactions and certain debt securities acquired on or after January 1, 2014. Legislation requires reporting the gross proceeds of the sales of "covered" and "noncovered" securities and the adjusted cost basis for "covered securities." Any sale of a security that is considered a "noncovered security" will still be included in this section with the adjusted cost basis (where available) but the adjusted basis will not be transmitted to the IRS.

In calculating gain (loss), unless otherwise noted, it was assumed that the oldest position was liquidated first, and that you have made an election to amortize the premium paid on the purchase of taxable bonds. Under the Cost Basis Reporting Regulations, brokers need not track wash sale activity for substantially identical securities, transactions across accounts, or between covered and noncovered securities. However, you as a taxpayer still have to track and report wash sales as you have in the past which would include all of the aforementioned transaction types. Securities distributed from a retirement account reflect the tax basis on the date of distribution. Other methods for calculating gain (loss) are available. The cost basis for most Original Issue Discount ("OID") obligations includes the accretion of OID.

This is important tax information and is being furnished to the Internal Revenue Service. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and the IRS determines that it has not been reported.
