Independent Auditor's Report

We have audited the accompanying financial statements of Bayat Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

NOTES TO FINANCIAL STATEMENTS

Note 1. Organization and Summary of Significant Accounting Policies

Organization:

The Bayat Foundation, Inc. ("the Foundation") is dedicated to providing essential services to the people of Afghanistan. The Foundation is committed to building partnerships that enhance the Foundation's business resources in sponsorship and support to direct human aid, as Afghanistan rebuilds. Projects focusing on education, health, empowerment of women, human basic needs and preservation of the rich culture and heritage of Afghanistan are central to the Foundation's activities.

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Financial Statement Presentation:

In accordance with generally accepted accounting principles, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Foundation is required to present a statement of cash flows.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents:

For purposes of the Statements of Cash Flows, the Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents

The Foundation's financial instruments that are exposed to concentration of credit risk consist primarily of cash and cash equivalents. The Foundation places its cash and cash equivalents with high credit quality institutions. At such times the financial instruments may be in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limits.

Unrestricted Net Assets:

Unrestricted net assets are resources over which the Foundation has discretionary control.

NOTES TO FINANCIAL STATEMENTS

Temporarily Restricted Net Assets:

Temporarily restricted net assets are subject to donor-imposed stipulations that may or will be met by actions of the Foundation and/or the passage of time. After the donor-imposed time or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported within the statement of activities as net assets released from restrictions.

Contributions:

In accordance with generally accepted accounting principles, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Contributed Services and Resources:

During 2014 and 2013, the Foundation received substantial contributions of time and resources from the Bayat Family at no cost. The financial statements include an in-kind contribution for the use of office space and other related occupancy costs in the amount of \$11,484 for the years ending December 31, 2014 and 2013 provided by a related Bayat family-owned entity. During 2014, the Foundation also received an in-kind contribution when a related Bayat family-owned entity paid \$75,390 of prior year accrued expenses for the Foundation. During 2014 and 2013, the Foundation also received, from unrelated parties, in-kind contributions of food, medications, textbooks, and school and medical equipment valued at \$0 and \$1,125,537, respectively. These amounts reflect the Foundation's recognition of the contribution and related expense.

Functional Expenses:

Expenses are charged to program or general and administrative expenses based on a combination of specific identification and allocation by management.

Subsequent Events:

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through April 8, 2015, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 1. (Continued)

Tax Status:

The Foundation is incorporated as a not-for-profit corporation under the laws of the State of New Jersey and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation is exempt from federal and state income taxes on related income pursuant to Section 401(a) of the Internal Revenue Code.

The Foundation applies generally accepted accounting principles related to income tax uncertainties. The Foundation has determined that there were no unrecognized tax benefits for the years ended December 31, 2014 and 2013. The Foundation files tax returns in the U.S. federal jurisdictions. Tax years that remain subject to examination by major tax jurisdictions are 2011 and forward.

Note 2. Related Party Transactions

During 2014 and 2013, an organization owned by a member of the Board of Directors and the member's spouse, who is also a member of the Board of Directors, donated \$100,000 and \$50,000 to the Foundation which is included in unrestricted contributions at December 31, 2014 and 2013, respectively. These monies were designated by the Board of Directors for payment of the Foundation's administrative expenses in the current and future years. The Foundation also received donated services and resources from this related organization (See Note 1). The related party provides these resources to enable the Foundation to have all of the other contributions received go directly to program expenses.

Note 3. Temporarily Restricted Net Assets

Temporarily restricted net assets represent cash received primarily for program specific purposes. As of December 31, 2014 and 2013, temporarily restricted net assets consisted of the following:

	2014	2013
Winter Aid	200	0
Orphans	0	4,944
Education	30,500	0
Water Projects	6,810	0
Widows and Women	20,027	19,827
Other	11,781	9,661
Total	<u>69,318</u>	<u>34,432</u>

NOTES TO FINANCIAL STATEMENTS

Note 4. Net Assets Released

Net assets were released from restriction by incurring donor stipulated expenses of \$24,344 and \$1,175,279 for the years ending December 31, 2014 and 2013, respectively.

Note 5. Concentrations

The Foundation grants funding to a not-for-profit organization incorporated under the laws of Afghanistan to provide program services. The Foundation receives periodic, if not monthly, reports concerning the expenditures and the progress of the specific program being funded.

Note 6. Fair Value Measurements

The Foundation applies generally accepted accounting principles for fair value measurements of financial assets and liabilities. These accounting principles defines fair values and establishes a hierarchy that prioritizes fair value measurements based on the types of inputs used for the various valuation techniques. The three levels of inputs used to measure fair value are as follows:

Level 1 - Values measured using quoted prices in active markets for identical investments.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The carrying amounts reflected in the statements of financial position for cash and cash equivalents, and accrued expenses approximate fair value due to the relative terms and/or short maturity of these financial instruments.
