Accordingly, no provision for income taxes is reflected in these financial statements. However, income from certain activities not directly related to the Organizations tax-exempt purpose is subject to taxation as unrelated business income. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organizations financial condition, results of operations or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income positions. For tax purposes, the Organizations open tax years are 2011-2013.
