990 Schedule F, Supplemental Information

Return Reference	Explanation
Part I, Line 2	Most grants are made on the basis of budgeted requests for funds for the work done by partner organizations or churches, as donations are received with these projects preferenced. These are mostly organizations which our staff have helped to found, or have a consulting relationship with. Some grants are administered by our staff in the form of very small amounts of humanitarian aid. Our staff members report details of humanitarian aid and donations to churches. We monitor the use of grants to the partner organizations in Africa by the periodic visits of our staff in a coaching or training role. We also receive copies of their reports they prepare, both financial and operational. Grants for Women to Women Ministry and training in various countries are closely monitored by U.S. staff participation.
