Management's Responsibility for the Financial Statements

The Organization's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Harvesters Reaching the Nations, Inc. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements
December 31, 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of Harvesters Reaching the Nations, Inc. (“Organization”) is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Organization’s management, who is responsible for the fairness and objectivity embodied in the financial statements. These accounting policies conform to generally accepted accounting principles (GAAP) and have been consistently applied in the preparation of the financial statements.

Organization

Harvesters Reaching the Nations, Inc. is a not-for-profit corporation that provides discipleship, education, and healthcare to orphans as well as vulnerable women and children in remote regions of the world. The Organization’s primary operations consist of an orphanage, school, church and hospital located in Yei and Terakeka, The Republic of South Sudan, Africa.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Significant estimates used in preparing these financial statements include those assumed in recording the functional allocation of expenses, depreciation, and amortization. Actual results could differ from those estimates.

Financial Statement Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Unrestricted Net Assets- Net assets not subject to donor-imposed stipulations

Temporarily Restricted Net Assets- Net assets subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Expirations of temporarily restricted net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Contributions are recognized as revenues in the period unconditional promises to give are received. Contributions of assets other than cash are recorded at their estimated fair value.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The Organization considers all short-term investments with original maturities of ninety days or less to be cash equivalents. The Organization places cash equivalents, with high-credit quality financial institutions. The Organization has not experienced any losses on such assets.

Inventory

Inventories consist primarily of medical supplies and are stated at lower of cost or fair market value. Cost is determined using the first in, first out method.

Property, Equipment, Depreciation and Amortization

Property and equipment are stated at cost or fair market value at the date the equipment is donated or purchased less accumulated depreciation and amortization. Major expenditures and those that substantially increase useful lives are capitalized. Maintenance, repairs, and replacements, which do not improve or extend the lives of the respective assets, are charged to operations when incurred. When property and equipment is sold or otherwise disposed of, the asset and related accumulated depreciation is removed, and any gain or loss is included in operations. Depreciation has been computed using the straight-line method over the useful life of the asset. Estimated useful lives as of December 31, 2014 are as follows:

Vehicles	5 years
Machinery and equipment	5-10 years
Buildings and improvements	20 years

Income Taxes

The Organization is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code (IRC) of 1986, as amended, as an organization described in Section 501(c)(3) of the IRC. The Organization has been classified as an organization that is not a private foundation under IRC Section 509(a)(2), and as such, contributions to the Organization qualify for deductions as charitable contributions. However, income generated from activities unrelated to the Organization's exempt purpose is subject to tax under IRC Section 511.

Accounting for Uncertainty in Income Taxes

Management has concluded that any tax positions that would not meet the more-likely-than-not criterion of Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) Topic 740-10, *Accounting for Income Taxes*, would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statement of activities or accrued in the statement of financial position. Federal and state tax returns of the entity are generally open to examination by the relevant taxing authorities for a period of three years from the date the returns are filed.
