Such Foundation-sponsored educational activities will also highlight other current topics of importance and interest to persons in the alternative investment industry. Furthermore, the Foundation will provide grants to other charitable organizations that are engaged in improving the health, education and/or social welfare of women and children. The Foundation will focus on marshalling the significant monetary and talent resources of the 100 women in hedge fund Association's (the "Association") members to raise money and arrange volunteer assistance for causes that affect not just women, but the countless people who rely on them. The Foundation enables its members to "make a difference" efficiently and effectively through a series of philanthropic initiatives. The success of our fundraising has come from the dedication and hard work of our members and the support of the hedge fund community. We have raised funds for charities focused on women's and family health, education, and mentoring, and impacted the lives of approximately 371,000 people through these efforts. Fundraising initiatives include the annual Galas and other supporting fundraising events throughout the year. These events are managed and supported by our volunteer members. We have also provided over 400 industry education sessions including presentations by over 700 female industry leaders. We established the Foundation Institute as part of our 10th Anniversary celebration to provide the Foundation members with unique educational opportunities and scholarships.
