Part X, Line 2	Federal law imposes tax on income that is not related to an organization's tax-exempt purposes or otherwise excluded under the Code. It is the Organization's policy to account for any uncertainties in income tax law in accordance with FASB ASC 740-10 "Accounting for Uncertainty in Income Taxes." Management has evaluated the Organization's tax positions and concluded that the Organization has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. The Organization has income items that are subject to unrelated business income tax, however, these items, when netted with the directly attributable expenses, resulted in a net loss for the year ended December 31, 2014. As a result, no provision or liability for income taxes has been included in the financial statements.
