D. Eval

To assist parents in the selection of computer equipment for their special needs child the Foundation offers a service known as a "Fitting Session". In these sessions, parents may bring their child to "try on" different computers, adaptive devices, and software to see if they "fit". This way the parents may be better prepared to make purchases of equipment for their child's use, understanding how the equipment would work and how effective the computer system might be with the child - before making a purchase. This year we provided no evals.

Evals: 0 Revenue produced: \$ 0

E. Developing natural supports for employment of persons with disabilities

To assist in the development of a new model for employment of persons with disabilities, the Foundation devoted many hours to support the work of the Special Kneads and Treats Bakery, Inc. Pat devoted 2 afternoons a week (6-8 hours per week from February through December) to direct support for the work of the bakery. The foundation supplied ideas related to task analysis of work assignments and use of AT to support successful completion work assigned to employees with disabilities .Beyond this we performed tasks as needed to support the staff at the bakery.

F. Developing Educational Programs for Churches with Disabled Members.

The Foundation devoted time this year to development of Sunday School Curriculum for persons with disabilities. Some 5 lessons were developed in 2013 in conjunction with the New Tribes Missions (NTM) Curriculum (now 20 lessons in all) . Development time was volunteered by Pat Satterfield. These lessons will be trialed and tested in local churches to gather feedback and to refine this process. We expect to develop and test more lessons as this effort continues in 2015.
