Part X, Line 2	Gulfstream Goodwill Industries, Inc. is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986 and from state income taxes under similar provisions of the State of Florida Income Tax Code. The Organization has been classified as a publicly supported organization, which is not a private foundation under 509(a) of the Code. The Organization did not engage in any unrelated business activities during the year ended December 31, 2014, and accordingly there is no provision for income taxes reflected in the accompanying consolidated financial statements. The Organization follows FASB ASC 740, Accounting for Uncertainty in Income Taxes. This standard seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. The Organization assesses the income tax positions based on management's evaluation of the facts, circumstances, and information available at the reporting date. The Organization uses the prescribed "more likely than not" threshold when making their assessment. There are currently no open Federal or State tax years under audit.
