Return Reference	Explanation
Part IV, Line 2b	A division of the filing organization conducts third-party administration type claims processing services on behalf of certain organizations. One of the programs for which claims processing is conducted is the Orange County Indigent Plan Program. Funding to assist in payment of claims under this program is partially funded by an unrelated 501(c)(3) hospital system located in the Greater Orlando area. The filing organization has established an escrow account to hold funds collected from the unrelated hospital system that will be used to pay for medical care for indigent patients under this program.
Part X, Line 2	The consolidated financial statements of AHS contain the following FIN 48 footnote: Please note that dollar amounts are in thousands. Healthcare Corporation and its affiliated organizations, other than North American Health Services, Inc. and its subsidiary (NAHS), are exempt from state and federal income taxes. Accordingly, Healthcare Corporation and its tax-exempt affiliates are not subject to federal, state or local income taxes except for any net unrelated business taxable income. NAHS is a wholly owned, for-profit subsidiary of Healthcare Corporation. NAHS and its subsidiary are subject to federal and state income taxes. NAHS files a consolidated federal income tax return and, where appropriate, consolidated state income tax returns. All taxable income was fully offset by net operating loss carryforwards for federal income tax purposes, as such, there is no provision for current federal or state income tax for the years ended December 31, 2014 and 2013. NAHS also has temporary deductible differences of approximately \$63,600 and \$65,000 at December 31, 2014 and 2013, respectively, primarily as a result of net operating loss carryforwards. At December 31, 2014, NAHS had net operating loss carryforwards of approximately \$63,400, expiring beginning in 2020 through 2026. Deferred taxes have been provided for these amounts, resulting in a net deferred tax asset of approximately \$24,200 and \$24,700 at December 31, 2014 and 2013, respectively. A full valuation allowance has been provided at December 31, 2014 and 2013 to offset the deferred tax asset since Healthcare Corporation has determined that it is more likely than not that the benefit of the net operating loss carryforwards will not be realized in future years. The Income Taxes Topic of the ASC (ASC 740) prescribes the accounting for uncertainty in income tax positions recognized in financial statements. ASC 740 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken, or expected to be taken, in a tax return. There were no material uncertain tax positions as of December 31, 2014 and 2013.

990 Schedule F, Supplemental Information

Return Reference	Explanation
Part I, Line 2	Foreign grants are generally made to organizations within the U.S. to assist with funding for mission related trips whose purpose is to provide health care services in foreign locations and/or construct and build health care facilities in foreign locations. The U.S. organizations sponsoring the health-related mission trips are often related organizations that are exempt from Federal Income Tax under 501(c)(3) or other 501(c)(3) organizations that are a part of the group exemption ruling issued to the General Conference of Seventh-Day Adventists. Accordingly, the filing organization has not established specific procedures for monitoring the use of grant funds outside the United States as the filing organization does not have a grant making program that would necessitate such procedures and is generally making an indirect foreign grant through another U.S. charitable organization.

Return Reference	Explanation																																																																																																			
Part I, Line 1a	<p>The filing organization is the top-tier parent of a system of healthcare organizations known as Adventist Health System (AHS) Members of the filing organization's executive management team that hold the position of Vice-President or above (including those who provide services at the filing organization and those who perform executive management services at AHS subsidiary organizations) are compensated by and on the payroll of the filing organization First-class or charter travel Pursuant to the AHS system-wide general policy regarding business travel, no reimbursement will be provided for any additional cost incurred with respect to first-class or charter air travel beyond the cost of a regular coach airfare As a means of providing additional business travel reimbursement for those members of the AHSSHC senior executive management team that travel frequently on behalf of AHS, a special annual travel allowance is provided for those executives As AHS operates 44 hospitals and a number of other health care facilities in 10 states, the senior leadership of AHSSHC travel extensively and often visit multiple hospital locations in different states as a part of a single business trip The special travel allowance can provide reimbursements to the executive for such items as the purchase of air travel upgrade coupons, to cover the cost differential between coach and first-class travel, or to cover the cost of a charter flight The special travel allowance benefit was originally authorized by and codified into a policy by the AHSSHC Board Compensation Committee (the Committee), an independent body of the AHSSHC Board of Directors, who also approves the annual cap on the amount of the allowance The special travel allowance has an annual cap of \$24,000 for members of the AHS Corporate Management Committee (6 individual executives) and \$15,000 for AHS Corporate Office Senior Vice Presidents (10 individual executives) The CEO of AHS has been approved by the Committee to travel by charter for AHS business trips in an amount which may exceed the established annual cap Those executives who receive the special travel allowance are responsible for tracking the expenses reimbursable under the special travel allowance and must submit such expenses on their accountable plan expense report Any taxable reimbursements made to executives under the special travel allowance arrangement are treated as taxable compensation to the executive Travel for companions AHSSHC has a Corporate Executive Policy that provides a benefit to allow for a traveling AHSSHC executive to have his or her spouse accompany the executive on certain business trips each year Typically, reimbursement is only provided to Vice Presidents and above and is usually limited to one business trip per year beyond the annual AHS President's Council business meeting and other meetings where the spouse is specifically invited The AHSSHC Corporate Executive Spousal Travel Policy was originally approved and reviewed by the AHSSHC Board Compensation Committee, an independent body of the AHSSHC Board of Directors All spousal travel costs reimbursed to the executive are considered taxable compensation to the executive Tax Indemnification and gross-up payments AHS has a system-wide policy addressing gross-up payments provided in connection with employer-provided benefits/other taxable items Under the policy, certain taxable business-related reimbursements (i e taxable business-related moving expenses, taxable items provided in connection with employment) provided to any employee may be grossed-up at a 25% rate upon approval of the filing organization's CEO and CFO Additionally, employees at the Director level and above are eligible for gross-up payments on gifts received for board of director services Discretionary spending account A nominal discretionary spending amount was provided in the current year to all eligible executives who attend the annual AHS President's Council business meeting (\$500 per executive) or the annual AHS CFO Conference or CMO/CNO business meeting (\$300 per executive) Other discretionary spending accounts may be provided in connection with other AHS sponsored conferences but typically do not exceed \$200 per participant With respect to the AHS President's Council meeting, eligible executives may include AHSSHC Vice Presidents and above and all AHSSHC subsidiary organization CEOs and Regional CFOs The payment provided to each executive was considered taxable compensation to the executive Health or social club dues or initiation fees AHSSHC has a Corporate Executive Policy that addresses business development expenditures Under this policy, certain AHS eligible executives may be reimbursed for member dues and usage charges for a country club or other social club upon authorization Club memberships must be recommended by the CEO of the AHS hospital organization and approved by the Chairman of the Board of Directors of the organization In addition, the proposed membership must be approved annually by the AHSSHC Board Compensation Committee, an independent committee of the Board of Directors of AHSSHC Eligible executives are limited to certain senior level executives (hospital organization CEOs, the CEO of the nursing home division of AHS, senior vice presidents at three large hospital organizations, regional CEOs and CFOs and the president and senior vice presidents of AHSSHC) In the current year, for this filing organization, one executive was eligible to receive reimbursement for club fees Each AHS executive who is approved for a club membership must submit an annual report to the AHSSHC Board Compensation Committee that describes how the membership benefited their organization during the preceding year</p>																																																																																																			
Part I, Line 3	Please see the discussion concerning the process followed by the filing organization in determining executive compensation in our response to Part VI, Section B, Line 15a and b																																																																																																			
Part I, Line 4b	<p>In recognition of the contribution that each executive makes to the success of AHS, AHS provides to eligible executives participation in the AHS Executive FLEX Benefit Program (the Plan) The purpose of the Plan is to offer eligible executives an opportunity to elect from among a variety of supplemental benefits, including deferred compensation benefits taxable under Internal Revenue Code (IRC) Section 457(f), to individually tailor a benefits program appropriate to each executive's needs The Plan provides eligible participants a pre-determined benefits allowance credit that is equal to a percentage of the executive's base pay from which is deducted the cost of mandatory and elective employee benefits The pre-determined benefits allowance credit percentage is approved by the AHSSHC Board Compensation Committee, an independent committee of the Board of Directors of AHSSHC Any funds that remain after the cost of mandatory and elective benefits are subtracted from the annual pre-determined benefits allowance are contributed, at the employee's option, to either an IRC 457(f) deferred compensation account or to an IRC 457(b) eligible deferred compensation plan Upon attainment of age 65, all previous 457(f) deferred amounts are paid immediately to the participant and any future employer contributions are made quarterly from the Plan directly to the participant The Plan documents define an employee who is eligible to participate in the Plan to generally include the Chief Executive Officers of AHS entities and Vice Presidents of all AHS entities whose base salary is at least \$224,000 The Plan provides for a class year vesting schedule (2 years for each class year) with respect to amounts accumulated in the executive's 457(f) deferred compensation account Distributions could also be made from the executive's 457(f) deferred compensation account upon attainment of age 65 or upon an involuntary separation The account is forfeited by the executive upon a voluntary separation In addition to the Plan, AHS has instituted a defined benefit, non-tax-qualified deferred compensation plan for certain executives who have provided lengthy service to AHS and/or to other Seventh-Day Adventist Church hospitals or health care institutions Participation in the plan is offered to AHS executives on a prorata schedule beginning with 20 years of service as an employee of AHS and/or another hospital or health care institution controlled by the Seventh-Day Adventist Church and who satisfy certain other qualifying criteria This supplemental executive retirement plan (SERP) was designed to provide eligible executives with the economic equivalent of an annual income beginning at normal retirement age equal to 60% of the average of the participant's three, five or seven highest years of base salary from AHS active employment inclusive of income from all other Seventh-Day Adventist Church healthcare employer-financed retirement income sources and investment income earned on those contributions through social security normal retirement age as defined in the plan The number of years included in highest average compensation is determined by the individual's year of entry to the SERP and by the individual's year of entry to the AHS Executive FLEX Benefit Program</p> <table><tr><th>Flex Plan</th><th>Flex Plan/ Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>Compensation and benefits provided to Adventist Health System Sunbelt Healthcare Corporation's (AHSSHC) CEO, CFO, Vice Presidents and key employees are determined pursuant to policies, procedures, and processes that are designed to ensure compliance with the intermediate sanctions laws as set forth in IRC Section 4958. AHSSHC has taken steps to ensure that processes are in place to satisfy the rebuttable presumption of reasonableness standard as set forth in Treasury Regulation 53.4958-6 with respect to its active executive-level positions. The AHSSHC Board Compensation Committee (the Committee) serves as the governing body for all executive compensation matters. The Committee is composed of certain members of the Board of Directors (the Board) of AHSSHC. Voting members of the Committee include only individuals who serve on the Board as independent representatives of the community, who hold no employment positions with AHSSHC and who do not have relationships with any of the individuals whose compensation is under their review that impacts their best independent judgment as fiduciaries of AHSSHC. The Committee's role is to review and approve all components of the executive compensation plan of AHSSHC. As an independent governing body with respect to executive compensation, it should be noted that the Committee will often confer in executive sessions on matters of compensation policy and policy changes. In such executive sessions, no members of management of AHSSHC are present. The Committee is advised by an independent third party compensation advisor. This advisor prepares all the benchmark studies for the Committee. Compensation levels are benchmarked with a national peer group of other not-for-profit healthcare systems and hospitals of similar size and complexity to AHS and each of its affiliated entities. The following principles guide the establishment of individual executive compensation: - The salary of the President/CEO of AHS will not exceed the 40th percentile of comparable salaries paid by similarly situated organizations, and - Other executive salaries shall be established using market medians. The compensation philosophy, policies, and practices of AHSSHC are consistent with the organization's faith-based mission and conform to applicable laws, regulations, and business practices. As a faith-based organization sponsored by the Seventh-day Adventist Church (the Church), AHSSHC's philosophy and principles with respect to its executive compensation practices reflect the conservative approach of the Church's mission of service and were developed in counsel with the Church's leadership.</p>

Return Reference	Explanation
Form 990, Part VI, Section C, line 19	<p>The filing organization is the parent organization of a system of healthcare organizations known as Adventist Health System (AHS). In addition, the audited consolidated financial statements of AHS and of the AHS "Obligated Group" are filed annually with the Municipal Securities Rulemaking Board (MSRB). The "Obligated Group" is a group of AHSSHC subsidiaries that are jointly and severally liable under a Master Trust Indenture that secures debt primarily issued on a tax-exempt basis. Unaudited quarterly financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP) are also filed with MSRB for AHS on a consolidated basis and for the grouping of AHS subsidiaries comprising the "Obligated Group".
