This committee engages nationally recognized compensation consultants to assist them in review of executive compensation. The compensation consultants provide a review of each vice president and above in the system to determine if that employee's compensation is reasonable when compared against market standards. The data reviewed comes from compensation studies that include comparable compensation for similarly qualified persons in functionally comparable positions at similarly situated organizations. The organization keeps contemporaneous minutes of the compensation committees meetings and decisions. External consultants review compensation every other year with the last review occurring in 2013, but the compensation committee regularly monitors compensation and all other procedures are followed annually.
