Form 990, Part III, Line 1 Organization's mission	(continued from Part III) Through each of these efforts, we can break the chain of poverty and entitlement by creating options and hope where none previously existed. The parents and students are encouraged to give back for the opportunity they have been presented and take advantage of the educational excellence that the Foundation is able to provide. Established in 2001, the Foundation was inspired to support this community due to their tremendous humanitarian needs as well as wanting to give back to the country that produces the best cigars in the world. All administrative costs for the Foundation are underwritten by the Fuente and Newman families so that 100% of the other contributions received benefit the community complex, as well as the children and families of the project. Contributions may also be made to assist other needed charitable organizations as determined by the Board. The Foundation partnered with the Instituto Dominicano de Desarrollo Integral (IDDI), a Dominican-based nonprofit organization that for the past 30-years has been fighting poverty by providing training and skills necessary to make a positive change for those living in both urban and rural regions of the Dominican Republic. Through education, disease prevention and most importantly, empowerment, lives of both the children and families in this impoverished region are improving. Students and parents now have access to clean drinking water, quality education, vocational programs and much more. Thanks to the efforts of the Foundation, IDDI and our generous donors, for the first time, these children are able to dream of a future.
