Supplemental Information

Part III Line 1 "Unusual Grants". During 2014 the organization received a partial distribution from an estate in the amount of \$2,027,271. The donor was never a foundation manager or a disqualified person with respect to the organization. The donation was cash that was not restricted. The organization has substantial donations besides this bequest and anticipates future donations to support operations. The organization has consistently met the one-third public support test. No person related to the deceased has the ability to substantially influence the operations of the organization. The organization has a board of governors who are community leaders representing a cross section of the Florida Keys. In the four prior tax periods, the organization has not treated any gift as an "Unusual Grant" in order to meet the one-third public support test. Because this donation would substantially lower the historical public support ratio, it has been excluded as an "Unusual Grant".
