Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

To create and administer a place where members of the elder community can live independently and enjoy life in Boonville, California

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In 2014, after a well-publicized community meeting and independently acquiring other community input, two things became apparent to AVEH: the immediate need for our senior community is for affordable independent living units close to town, and our planned assisted living facility is no longer an immediate dominant community need. In addition, it has become clear that financing an assisted living facility is not an attainable goal for a small non-profit organization in a rural community. With that in mind, AVEH refocused its energies in 2014 on providing independent living units. We remodeled and upgraded our duplex to make it as senior friendly as possible. Seniors (one of them over 90 years of age) now occupy both units of the duplex. Also in 2014 we finalized all the upgrades on the property where future expansion will occur. At the end of 2014, a local senior (age 96) agreed to lease the house once it is upgraded for seniors' needs in early 2015. The board of directors established a building committee to research the feasibility of various plans for the small, independent housing units to be build in the next phase.
