Independent Auditor's Report

To the Board of Directors
UMC Foundation
Lubbock, Texas

We have audited the accompanying financial statements of UMC Foundation, Lubbock, Texas (the "Foundation"), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

UMC Foundation
Notes to Financial Statements
December 31, 2014 and 2013

Note 1: Nature of Foundation

UMC Foundation, Lubbock, Texas (the "Foundation") was incorporated as a not-for-profit Foundation under the laws of the State of Texas on February 19, 1979. The Foundation was organized exclusively for charitable, educational and scientific purposes to assist in the establishment, operation and continuation of the University Medical Center ("UMC"). Upon approval by its board, expenditures are made from the Foundation for capital improvements, equipment, programs, services, and general support for UMC.

Note 2: Summary of Significant Accounting Policies

The Foundation's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America, including specialized industry practices as specified in the American Institute of Certified Public Accountants audit and accounting guide titled *Not-for-Profit Foundations*.

Financial Statement Presentation. The Foundation classifies its net assets based on the existence or absence of grantor- or donor-imposed restrictions. Amounts for the two classes of net assets – unrestricted and restricted – are displayed, as applicable, in the statement of financial position and changes in these classifications are summarized in the statement of activities.

Unrestricted and restricted net assets are defined as set forth below:

- **Unrestricted net assets** represent resources that are not restricted by grantor- or donor-imposed restrictions.
- **Restricted net assets** represent amounts received from contributions, gains or revenues whose use is limited by grantor- or donor-imposed stipulations.

Contributions and Unconditional Promises to Give. Contributions and unconditional promises to give are recognized as revenue when received. If there are no time or donor restrictions placed on these contributions and promises to give, the revenue is reflected as an increase in unrestricted net assets; however, if such restrictions do exist, the revenue is classified as restricted net assets, depending on the nature of the restriction. If a restriction is fulfilled in the same time period in which the restricted contribution is received, the Foundation reports that support as unrestricted. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

An allowance for doubtful accounts is provided based on management's evaluation of potential uncollectible promises at year end.

Contributed Facilities and Services. The Foundation receives donated services from a variety of unpaid volunteers who assist the Foundation in its activities and programs. No amounts have been recognized for these services in the accompanying statements of activities because the criteria for recognition of such volunteer effort have not been satisfied.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, support and expenses, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Note 2: Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents. The Foundation includes all cash accounts that are not subject to withdrawal restrictions or penalties and all highly liquid debt instruments with original maturities of three months or less as cash and cash equivalents

Investments. Investments are reported at fair value. Investment income or loss recorded in the statement of activities includes interest, dividends, and realized and unrealized gains and losses on investments. Investment income or losses are reported as increases or decreases in unrestricted net assets, unless the donor or law restricts the use of investment income.

Functional Allocation of Expenses. The costs of providing the various programs and other activities of the Foundation have been summarized in the financial statements on a functional basis. Accordingly, certain costs have been allocated amongst the programs and supporting services benefited.

Income Taxes. The Foundation is designed as an Internal Revenue Code Section 501(c)(3) Foundation and, accordingly, is exempt from federal income taxes. Therefore, no provision has been made for such taxes in the accompanying financial statements. In addition, the Foundation has been deemed by the Internal Revenue Service to be an "exempt private foundation" within the meaning of Section 509(a) of the Internal Revenue Code and could be subject to excise taxes. The Foundation had no excise or unrelated business income activity for the years ended December 31, 2014 and 2013.

GAAP requires management to evaluate tax positions taken by the Foundation and recognize a tax liability (or asset) if the Foundation has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. There are currently no audits for any tax periods in progress. Generally, the Foundation's tax returns are subject to examination for three years after they are filed.

Note 3: Investments

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 inputs were not available.

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Foundation at year end. The fair values of equity securities and common stocks are based on quoted market prices.

Level 3 Fair Value Measurements

The fair values of money market funds and certificates of deposit are based on amortized cost or original cost plus accrued interest. The following table provides further details of the Level 3 fair value measurements.

For the years ended December 31, 2014 and 2013, contributions and grants comprised approximately 97% and 81%, respectively, of total revenue and support. Restricted net assets of the Foundation at December 31, 2014 and 2013, were available for equipment, software, programs, and services related to the mission of the Foundation, which is to support UMC in providing medical and hospital care to the residents in the Texas South Plains.

Note 8: Endowment Insurance Program

From time to time certain donors have purchased life insurance policies under the program with the Foundation named as the owner and beneficiary of the policies. These donors have agreed to make annual contributions in amounts sufficient to pay the annual premiums on the policies. Upon the deaths of the donors, the Foundation will receive the proceeds of these policies, which will be used toward the programs and operating costs of the Foundation, or for other donor stipulated purposes. At December 31, 2014 and 2013, the total cash surrender value of these policies was \$1,255,454 and \$1,247,672, respectively. The total face value of these insurance policies was \$3,323,984 per annum at December 31, 2014 and 2013.

Note 9: Subsequent Events Evaluation

Management has evaluated subsequent events through April 24, 2015, the date which the financial statements were available to be issued. No material subsequent events have occurred during this time which would require recognition in the financial statements or footnotes as of or for the year ended December 31, 2014.
