Schedule D, Part X, Line 2	The organization is exempt from Federal Income taxes under Section 501(c)(3) of the United States Internal Revenue Code according to the United States Internal Revenue Service(IRS) determination letter dated November 8, 2013, therefore, no provision has been made for Federal Income tax. GAAP requires the evaluation of tax positions taken or expected to be taken in the course of preparing the organizations' financial statements to determine whether the tax positions are more likely than not of being sustained by the applicable tax authority. Tax positions not deemed to meet the more likely than not threshold would be recorded as a tax benefit or expense in the current year. A reconciliation is not provided herein, as the beginning and ending amounts of unrecognized benefits are zero, with no interim additions, reductions, or settlements. The organization is relying on its tax-exempt status and its adherence to all applicable laws and regulations to preserve that status. However, the conclusions regarding the uncertainty in income taxes will be subject to review and may be adjusted at a later date based on factors including, but not limited to, ongoing analysis of tax laws, regulations, and interpretations thereof. The organizations' informational returns are generally subject to examination for three years after the later of the due date or filing deadline.

Return Reference	Explanation
Schedule I, Part I, Line 2	When we determine to make a grant, we draft a Grant Agreement letter to the receiving organization, signed by them and us, that stipulates amount, conditions and timing. The majority of grants we make are for general operating use by the organization. We typically have a liaison ("Lead Partner") assigned to work with the organization and ensure that they act in compliance with these conditions. If we do grant funds restricted to certain use, we spell out this expectation in a Grant Agreement, signed by both their chief officer and ours.
