New Treasury regulations require that we report your adjusted cost basis and classify the gain or loss as either long-term or short-term on the sale of covered securities acquired on or after January 1, 2011. These regulations also require that we make basis adjustments on covered securities due to wash sales, certain corporate actions and transfers by gift or inheritance, which will be reflected on your Form 1099-B. This section may not reflect all of the basis adjustments we are required to make for tax reporting purposes. The information in this section is provided for informational purposes only and should not be used in the preparation of your income tax returns.
